Spiritual Direction, also known as Spiritual Companionship, is a process of deepening a spirituality. In Spiritual Direction the "director" helps a spiritual "seeker" to notice, name, reflect on, and respond to her or his experience of the Sacred in everyday life as well as in extraordinary moments of joy, loss or trauma. In a typical monthly spiritual direction meeting the seeker brings the stories of his or her journey and/or any life experiences to reflect on. Together the director and seeker look for and attend to the movement of the Divine in the seeker's life.
