As the President/CEO of the Westminster Chamber of Commerce, I am delighted to welcome you to our vibrant and dynamic community.

Westminster is experiencing an exciting period of growth and transformation. Thanks to the dedicated efforts of our city leadership and the collaborative spirit of our community, we are well-positioned to thrive as a key urban hub between Denver and Boulder. Our excellent transportation infrastructure, coupled with a strategic vision for the future, has set the stage for Westminster to become an even more exceptional place to live, work, and play.

The development of Downtown Westminster is a cornerstone of this transformation. With over 10 million square feet of potential development, this new downtown area will serve as a central hub for civic, cultural, and economic activity. It will enhance the vibrant character of our city and provide new opportunities for businesses, residents, and visitors alike.

Beyond Downtown Westminster, our city offers a wealth of opportunities. From the bustling Orchard Town Center to the charming Historic Westminster Art District, our diverse neighborhoods and business districts are flourishing. Our extensive network of trails, parks, and recreational facilities provides endless opportunities for outdoor activities and community engagement.

As you explore Westminster, I encourage you to take full advantage of all that our city has to offer. Support local businesses, participate in community events, and enjoy the natural beauty that surrounds us. Your involvement and engagement are essential to shaping the future of our city.

We are proud of the progress we have made and are excited about the opportunities ahead. Together, we can continue to build a community that is inclusive, innovative, and thriving. Thank you for being a part of Westminster. We look forward to your contributions and hope you enjoy your time in our wonderful city.

Nancy McNally

WESTMINSTER

MAYOR

Welcome to beautiful Westminster. As a resident of Westminster for over four decades, I believe our community has much to offer visitors and new residents. We have over 3,800 acres of open space with clear, unobstructed views of the Rockies, nationally renowned golf courses, high-quality city services, and, not least of all, businesses that offer first-class services, amenities, and retail experiences.

Long ago, our city had a vision for a community that had expansive natural lands, and we set out to purchase and set aside thousands of acres of preserved prairie lands for our community and guests to enjoy. Whether it be Standley Lake Regional Park, Westminster Hills Open Space, or Big Dry Creek, visitors can get lost for hours exploring Colorado's natural beauty. In the winter, you can see snow-capped Long's Peak and snow-covered prairie grassland, and blue herons, red-tailed hawks, and majestic bald eagles in the spring, summer, and fall. There is never a bad time to visit Westminster.

Our City's core values are centered on providing our community with high-quality service. We have made significant investments in our roadways and infrastructure with an eye toward long-term sustainability. Our parks, recreation centers, and libraries are second to none. And you will find our community is clean, safe, and welcoming to residents, visitors and businesses.

I believe that's why we have such a vibrant business community filled with entrepreneurial spirit. We're home to global enterprises such as Ball Headquarters and Maxar as well as myriad small businesses that call only Westminster home. We also have fabulous retail centers spread across our community. Westminster is home to the Promenade shopping center and the Orchard Town Center. Both multiplexes are surrounded by unique shops, bars, and local restaurants for you to enjoy during your visit here with us. Finally, we have made a multimillion-dollar investment in a new Downtown Westminster which is growing into a jewel for our community.

Big things are happening in our community, and we're excited to welcome you to Westminster. We hope you enjoy your stay with us.
