135	<b>A MIXED LOT</b>	Virtually all complete MNH sets, 2 boxes choc a bloc of British Pacific Islands from the 1990s onwards. All the countries are respectable stamp issuing territories including Cook Islands, Niue, Aitutaki, Penrhyn, etc. Virtually everything has a topical theme including much paintings, ships, religious, Queen Mother, etc. While most commems, there are useful definis with plenty of high values. Very difficult to value as the new issue cost is about £20,000 and the face value way in excess of £10,000++. The resale potential is enormous, either to the trade or on the internet or both, when sensibly broken down to countries, topicals, etc. A great opportunity not to be missed.	£500.00	A
136	<b>A MIXED LOT</b>	Over 180 stamps, virtually all one of a kind, nearly everything 19th century, housed on old fashioned album pages, written up. As these collections go, it is very good, as it was clearly formed many decades ago and the write up is informative. Some of the countries include Netherlands Indies, Portuguese Colonies, Nicaragua, Peru, Fiji, Ionians, China / Shanghai, Bolivia, Brazil, Costa Rica, Liberia the first allegory issues, Chile colon heads, Bahamas Chalon heads galore, German States, Trinidad tridents, etc. Very worthwhile reference, invaluable for comparison purposes, values by us at £2 each.	£400.00	A
137	<b>A MIXED LOT</b>	QE2 sets, much definitives, complete to the high values. Some of the material amongst the several 100s of stamps here, both mint and used, include Barbuda fish blocks of 4 high values to \$5 and Grenada to \$10 (singles), St Vincent to \$5, various British Pacific, Pitcairn Islands, etc. Much seems to be based on marine life, so if this is your area, look no further, there is a huge range, completely uncatalogued.	£75.00	A
138	<b>A MIXED LOT</b>	Virtually complete, if not complete, mint with some sets hinged, housed in one large album with better countries inc Antigua, Ascension, British Solomon Islands, Cyprus, Falkland Islands and FID, Hong Kong, all the way through to the Malayas, British Virgin Islands, Zanzibar.	£50.00	B
139	<b>A MIXED LOT</b>	Worldwide. 1000s of stamps, mint and used, housed in a substantial Strand album, formed for the most part in the 1930 / 40s, from the 19th century onwards. Completely uncatalogued. Some of the more challenging areas include Nicaragua, Italy and Colonies, Lebanon, British Africa and Palestine under British Mandate etc. Much fun from the old days, in sum, a good old fashioned sorter. Please view carefully.	£100.00	A

140	<b>A MIXED LOT</b>	Worldwide. Rectangular red improved Stamp album, housing 1000s of items, the vast majority 19th century to WW2, beginning with GB with a few unidentified penny reds, more QV/ED7 defins, a few seahorses and other high values KG6 to 10/-, then Austria onwards with most countries represented, a useful range of Australian States and Pacific, as well as much US and good South America well worth researching with the benefit of catalogues, similarly China starting with the 3 candarins small dragon, palace issues to \$1, over a dozen coiling dragons inc o/ps etc, Asia in general especially India Native States early imperfs very interesting and much more. Collection will clearly cat many 1000s of £s and is a delight to study, a much recommended viewing.	£200.00	A
141	<b>A MIXED LOT</b>	Worldwide. An intriguing collection, particularly for material that is out of the box, housed in good condition Ideal Stamp Album. The period is essentially pre WW2 and virtually all 20th century, both mint and used, several 100s of stamps, Antigua through USA. There are items here we have never seen before including much not in the mainstream catalogues. Areas well worth investigating are, for example, Egyptian inter postal seals in different colours, China, postage dues of British Commonwealth, as well as other regular good mint and parallel used sets of the Netherlands occasionally housed one over the other. Much material stuffed to the side of the album pages, so view slowly allowing plenty of time, you will definitely not be disappointed and there are discoveries to be made.	£300.00	A
142	<b>A MIXED LOT</b>	Worldwide. A beat up old Empire Stamp Album with 1000s of items, interspersed with covers, essentially a period of 19th century to the 1950s, a 2 generational collection. Many pages with substance, be it all somewhat chaotically presented. Interesting European colonies, overall China and Asia, South America / USA etc. The diversity is enormous and this outline description is just the tip of the iceberg -has to be viewed to be appreciated.	£400.00	A
143	<b>A MIXED LOT</b>	Box full with stockpages having an all British Commonwealth range.	£50.00	B

206	<b>AFRICA</b>	A very impressive holding crammed into 2 boxes, with virtually everything in mnh sets from the 1990s / 2000s. Some of the countries include Burundi, Congo, Libya, Rwanda and British Commonwealth. Many different themes / topics including flowers, personalities, boats, art, space including interesting setenants, military, geology / gemstones, etc. There is some duplication as to be expected and the potential is enormous. The new issue cost is way in excess of £10,000++ and the catalogue value, since much of it is at a premium today £20,000+. This is a very desirable range of material since it is hardly seen on the market. An opportunity with huge dividends to achieve quickly, as it is easily marketable and desierable material.	£500.00	A

230	<b>BELGIUM</b>	Substantial box of Belgium containing 2 vols, primarily mint and used, virtually all in complete sets, as well as much more material housed in envelopes, outside of the bookjs, as well as several 100s, perhaps more of the ms. Somewhat chaotic in presentation, nevertheless many 1000s of mint sets here, virtually allpost WW2, completely uncatalogued, requiring much more work which is reflected in our conservative valuation. 284	<b>DENMARK</b>	Album page with a used range 1853-1913.	£40.00	B
285	<b>DENMARK &amp; FINLAND</b>	Attractive collection mint and used with 100s of stamps, housed in a well filled specialised album, specifically for these 2 Scandinavian countries. Denmark starts with the spandrels yet the substantial value filling virtually every page is from the late 1920s onwards, ending with back of the book including interesting defins setenants in superb condition. The Finland with a similar pattern from the 1880s onwards with the 20th century well filled with definitives; quite complicated and interesting through to the 1970s with commems, all in good quality. A good collection worth turning slowly page for page, much more here than described.	£120.00	A
286	<b>FALKLAND ISLANDS</b>	Box with albums having a range KGV1 to 2019, all mint, includes BAT South Georgia.	£170.00	A
287	<b>FALKLAND ISLANDS</b>	1904 sg45 2d purple M, sg45B reddish purple M.	£55.00	B
288	<b>FINLAND</b>	A highly specialised holding of the lion definitive issues of 1917-1930, extraordinary in depth and scholarship. Overwhelmingly mint, this collector has gone out of his way to acquire multiples only, specifically with the sheet numbers and the years in which they were printed, such knowledge also being in the wing margins of these multiples, making it an easier task to identify. Considering that these are now identified with precision -except shades and perforations this is a remarkable holding, as only a very small fraction of each sheet has such imprints with this important information. Whatever catalogue there is as singles is completely irrelevant to this highly specialised range of imprints. For the most part, it is chronologically organised and a feast for the eyes for the serious collector of Finland. Thoroughly recommended, almost irreplaceable.	£400.00	A
289	<b>FINLAND</b>	Good collection with several 100s of stamps, all one of a kind, overwhelmingly mint sets, although there is useful section of used coat of arms from the 1875 onwards in far better quality than normally encountered. The 20th century equally strong in the different definitive types with many subtle differences. Also the Mannerheims with the Karelia overprints and regular Finnish of the same. A collection well worth studying, highly recommended.	£120.00	A

294	<b>FRENCH COLS</b>	An extraordinary carded stock, virtually everything in MNH complete sets with 1000s of topicals, representing material since independence, much therefore yet not exclusively all from French Africa. Some of the countries seen including New Caledonia, Djibouti, Mali, Niger, Walis, Upper Volta, St Pierre, Central Africa, Democratic Republic of Congo, Comoros Islands, French Polynesia, etc. We have been reliably told that the new issue cost would run into well over £20K, especially for the 1970s-1990s which is predominant. This is a must sell instruction from a dealer who is retiring, everything in superb condition. Ideal for a dealer, looking to break down for the internet, stamp shows or small units at auction. In short, a real money maker. Don't miss this opportunity.	£600.00	A
