Condition is mixed as to be expected yet many stamps are superb. While there is no US, the Americas a particularly strong with Argentina from 1858 onwards, with few empty spaces and good Rivadavias. Similarly, Brazil from a few eyes of the 1850s, then many Dom Pedros, etc. This pattern also continues with Costa Rica, Ecuador to 1896, Guatemala with the 1871 complete mint, Honduras, Mexico well represented from the late 1860s, Nicaragua virtually complete, Peru from the 1858 imperfs, also seen the Pacific Steam Navigation Company 1881 / 84 with 7 out of the 10 imperf issues, that would benefit from certs. Uruguay from the imperf sins with a dozen or so to research. Venezuela with the 1868s complete inc outstanding quality on some such as the 1/2 real, etc. There is much more with a very good showing of the German States inc the Brunswick horse imperfs all four margins x 6 different 1853/ 56 etc. Another strong area is the Far East especially Japan, from the dragons onwards, status to be researched. So much more here, also includes occasional covers in the side of their respective countries. This will easily catalogue way into 5 figures, a delight to view, they don't make them like this anymore -an opportunity not to be missed.	£650.00	A

243	<b>ARGENTINA</b>	A truly marvellous collection of the popular departmentals, sorted and cat in a Plymouth album, perfect for further study, condition generally very good and while some mint stamps noted, the strength is in the huge variety of used different o/ps, includes M.M (Marine), M.I (interior), M.O.P (Public works), M.R. C (Foreign Affairs and Religion), M.G (war), M.J. I. (Justice and Instruction), M.A (Agriculture), M.H (Finance), plus middle period issue officials, etc. there are well over 1400 stamps in this collection, with a wide range combinations of watermarks, style of o/ps, perforations and shades. Highly recommended for further study and expansion.	£160.00	A
244	<b>ARGENTINA</b>	A Plymouth album, from the popular classics to the 1920s, starting with 1858 first federal issue 5c red mint and used, then an excellent range of 1862 Seal with 5c, 10c and 15c most mint but a few cancelled, various shades and papers, a 5c proof in black, then having a duplicated range of the 1864-1890 Portrait issues from an imperf 5c FU, various perf and roulette issues with better noted, 1873 vals to 90c, surcharges and a few officials, most used yet some mint content as well. Further work required to carefully sort and identify the different issues, particularly the 1882 Letter issue also with shades and perfs, the 1892 issue with 5p again with shades and postmark interest, then the Liberty and Shield design, early 1900 officials, leading up to a range of 1928 Airs. 274	<b>BOLIVIA</b>	Several 100s of stamps, neatly housed in quadrille album pages in a Plymouth album, most of the interest being in the classics which are very impressive, similarly the early 20th century. Beginning with an imperf Condor 100cts unused, no faults, 4 large margins, followed by several dozens of the 1869 issue and literally 100s of the subsequent shield issues with the various different design types and above all quality and postmark interest and when mint, full OG. It continues into the 20th century with the larger pictorials and then many more definitives to research -the collection does continue on for many decades. 302	<b>COLUMBIA</b>	A good collection, well presented in 2 volumes, mint and used from the classics to more recent times. Collectors will be aware that some of the South American countries are very difficult to track down, Columbia especially the States being a prime example, and the scarcity of these is not reflected in the low cat prices of such seldom offered stamps. There are over 1500 examples including a very useful range of those early States, from both imperf and perf issues, a few pairs and multiples, used stamps with coloured cancels, shades and variations, registration stamps, etc. Additional material inserted on leaves and stockpages inc Columbia, middle period including the airmails and some o/p's, a few private company issues, much of the mint middle period onwards in unfringed and we noticed the 1954 San Pedro Claver pair of sheetlets um, 1956 ?Industries with values to \$10um, 1957 Military Cadets m/s um, then later to the mid 1990s, again unfringed, etc. A highly recommended lot of these difficult to find issues.	£170.00	A

328	<b>FINLAND</b>	A highly specialised holding of the lion definitvie issues of 1917-1930, extraordinary in depth and scholarship. Overwhelmingly mint, this collector has gone out of his way to acquire multiples only, specifically with the sheet numbers and the years in which they were printed, such knowledge also being in the wing margins of these multiples, making it an easieer task to identify. Considering that these are now identified with precision -except for shades and perforation -this is a remarkable holding, as only a very small fractionof each sheet has such imprints with this important information. Whatever catalogue there is as singles is completely irrelevant to this highly specialised range of imprints. For the most part, it is chronologically organised and a feast for the eyes for the serious collector of Finland. Thoroughly recommended, almost irreplaceable.	£650.00	A

337	<b>FRENCH COLONIES</b>	1000s of stamps, virtually all one of a kind, overwhelmingly mnh and similarly in complete sets, all housed in 5 large very impressive Yvert album with pages from the 19th century onwards, much of the value being in the Independent countries. Album 1 French Morocco, Senegal and Tchad, album 2 with French Guyana, extensive Cameroons inc m/s, album 3 is Laos, Lebanon, Guadeloupe and Upper Volta including m/s. Album 4 with Tunisia, Inini with the long sets, postage dues and omnibus, Djibouti inc the o/ps on Afars. 338	<b>FRENCH COLONIES</b>	Many hundreds of stamps, somewhat chaotically presented, all housed in one volume, mint and used. Some of the countries noticed include Tunisia, French Oceania, Mauritania, Lebanon, Madagascar etc. Much material is from the 1950s and will need some time to sort and categorise. A fascinating challenge, finds likely.	£35.00	B
339	<b>FRENCH COLONIES</b>	3 volumes, mint and used, with several hundreds if not thousands of stamps. The overwhelming majority is MNH, some of the countries include Tunisia, Dahomey, Wallis, New Caledonia, Fezzan, Guadeloupe, Cameroons, Ivory Coast, Djibouti, French Oceania and various African French Colonial territories etc. The vast majority is from the 1940s / 50s and a particular strength is the airmails mint, some of which have very high cataloguing items. Also noticed, a useful range of Vichy etc. This is very much vintage with no modern material and plenty of substance throughout. Each viewing when studied carefully yields yet further finds, most worthwhile.	£190.00	A
340	<b>FRENCH COLONIES</b>	Several 100 stamps, mint and used, housed in one very well filled Lighthouse volume including some unusual postal history and low printing number imperf ms seldom seen, as well as used ms on wood! 341	<b>FRENCH COLONIES</b>	100s of stamps housed in one Lighthouse volume, overwhelmingly one of a kind, beginning with peace and commerce types, mint to 1fr and then the surcharges from 05 on 2c through to 10 on 1fr, onto 20th century with the distinct possibility of better material with the commems, inc imperfs and again o/ps provisionally surcharged for the new stat of Comoros Islands in transition from Mayotte. Also noticed Picass on 100fr and various other good m/s. Completely uncatalogued and very attractive throughout.	£110.00	A
342	<b>FRENCH COLONIES</b>	100s of stamps, mint and used, housed in 1 well filled Lighthouse volume. Interesting range of Mauritania inc Vichy, as well as useful pre WW2 etc inc early postage dues. However, the better part is Madagascar from the 19th century onwards inc peace and commerce 5fr mint signed, onto early 20th century with lots of the long defins, again with various values to 5fr through to WW2 France Libre and much commems of the modern era through transition to Malagasy (even a little Burkina Faso). The collection is well rounded with lots of topics ranging from birds to zeppelins, fruits, butterflies, lepidoptera, dinosaurs etc, as well as better paintings and airmails. Completely uncatalogued, with much more here than this outline description, please view.	£110.00	A
343	<b>FRENCH COLONIES</b>	Attractive collection housed in one Lighthouse volume with a range of Establishment issues, both mint and used, onto Polynesia from Tahitian girl / fisherman / various commems and airmails ending with back of the book. Wallis with o/ps sets to 5fr both sailing boat and admirals, followed by a similar pattern post WW2 through Charles de Gaulle and airmails, as well as partial omnibus inc 1937 m/s and some unusual imperfs etc. Completely uncatalogued of these popular French Colonial territories.	£85.00	A
344	<b>FRENCH COLONIES</b>	Useful range from the first issues onwards, mint and used, with occasional minor duplication of often better material. Also noticed, early albatross, rocket and penguins / satellites setenants etc should be viewed to be appreciated.	£65.00	B
345	<b>FRENCH COLS</b>	In a box, an outstanding range of mint sets, all never hinged, housed in 4 well filled tupperware boxes with a few 100 cards, some of the countries incl French Polynesia, Mauritania, Congo Republic, Central African Republic, Upper Volta, Senegal, New Guinea, Wallis and Futuna, etc. Some of the cards have multiples of the sets including blocks of 4, blocks of 4 interpanneau panes, as well as pairs, etc. There is considerable duplication on the better sets and the retail potential will easily reach five figures, this is being by a dealer deciding to sell much of his stock. It is ideal for a dealer looking to replenish stocks, very inexpensively. Our valuation is certainly conservative for this excellent carded mint stock reserve.	£600.00	A
346	<b>FRENCH GUINEA</b>	Many 100s of stamps, mint and used, housed in one Lighthouse volume, from the early 20th century onwards. No duplication noticed, as well as displayed one of a kind, nearly everything in complete sets with occasional imperfs and back of the book/ Vichy etc. Completely uncatalogued with dozens of different topics as well, among the many useful sets.	£45.00	B

347	<b>FRENCH NORTH AFRICA</b>	Many 100s of stamps all one of a kind, occasionally parallel mint and used, specifically for French Morocco and a little Tangier. Beginning with the 19th century peace and commerce types, through to archangel, Merson and higher values, with lots of material from the long definitives, occasionally blocks of four noticed. Also seen a reasonable range of airmails, postage dues etc. All of this is holuse in one well filled volume, completely uncatalogued.	£65.00	B

602	<b>GERMANY</b>	An extraordinary lifelong accum of covers and occasionally single postmarks, housed in 3 full boxes in uniformly good quality. Material from 19th century stampless,through to postal stationery,all used mostly until the late 1920/30s -there are no unused covers. Various areas, primarily Prussian region, some of the towns and cities present such as Berlin, Charlottenburg through to Spandau, Tegel, Treptow, Wannsel, Wilmsendorf, Zelendorf to name but a few. This includes incoming and outgoing mail. There is a lot of early advertising and occasional Third Reich propaganda. There are about 1500 covers, approx 500 to 600 a box, not forgetting a smaller quantity of many 19th century postmarks, superb written up on cards. Many of the covers -by far the most valuable part of this -would sell for £5 to £20 each, sometimes more. Allow time to view, it would benefit from more research with a Michel and other specialised postal history literature.	£160.00	A
