1	A MIXED LOT	Worldwide Disneyania. Extraordinary accumulation of very colourful miniature sheets, all mint never hinged covering characters such as Magicians Goofy and Micky, Micky the concert pianist, Huey, Dewey and Loie the photographers, Winnie the Pooh, Micky the firefighter, Mulan, Aladin, Hercules and Pocahontas from countries such as Ghana, Turks and Caicos, Sierra Leone, Maldives, Palau, Dominica, The Gambia, Guyana, Grenada and Mali. About 700 sheets, obviously with considerable duplication. the potential retails here in the order of £3,500+.	£360.00	A
2	A MIXED LOT	Many 1000s of stamps, mint and used, overflowing to capacity in one very well filled album, completely uncatalogued. Better items include long 2/-Gibraltar KGV MNH, Australia KGV sife profile types to investigate, various roos, navigator high values, postage dues to 5/-, British Bechuanaland, Rhodesia doubleheads to 3d used, GB with a very beat up first 5/-QV, Colombia interesting multiples and back of the book, etc, etc. Condition overall is very good and would probably catalogue into 5 figures.	£160.00	A
3	A MIXED LOT	KGV1, virtually everyting MNH in one box and another box within a box with many 100s, perhaps 1000s of mnh KGV1, much of this was bouth on a new issue service, often in blocks of 4 or even larger, however it has not been looked after with many envelopes being opened and left opened, stamps spilling out, such a pity given as there is huge potential here in this original accumulation. However, as the viewer will see when the work is applied, this will tranform the value. The stamps include definitives, commems and occasionally has a little earlier then KGV1. On the other end of the spectrum, there is a little early QE2. Some of the more interesting countries include Gibraltar particularly KGV1 definitive types, BC KGV1 omnibus issues, Falklands and dependencies, British Africa in general, etc to whet your appetite. This will keep you busy for several days.	£260.00	A
4	A MIXED LOT	Flowers of the World. 4 volumes somewhat battered with age, with many 100s of stamps, overwhelmingly mnh, specifically dedicated to this topic with strength in countries like Japan including the red 500 yen large definitive, British Commonwealth with various high values to 10/ values, as well early Syria issues seldom seen today. Other areas include French Colonies, with high values, through to further Far East with good Thailand sets and much more. A careful inspection will reveal enormous potential in discoveries, as this collector was completely dedicated to buying anything he could in this topic and it shows. Viewing recommended.	£260.00	A

168	A MIXED LOT	Large box with smaller boxes and tins having an all world mix.	£20.00	B
169	A MIXED LOT	British Commonwealth. Virtually all complete MNH sets, 2 boxes choc a bloc of British Pacific Islands from the 1990s onwards. All the countries are respectable stamp issuing territories including Cook Islands, Niue, Aitutaki, Penhryn, etc. Virtually everything has a topical theme including much paintings, ships, religious, Queen Mother, etc. While mostly commems, there are useful defins with plenty of high values. Very difficult to value as the new issue cost is about £20,000 and the face value way in excess of £10,000++. The re sale potential is enormous, either to the trade or on the internet or both, when seriously broken down to countries, topicals, etc. A great opportunity not to be missed.	£450.00	A
170	A MIXED LOT	Over 180 stamps, virtually all one of a kind, nearly everything 19th century, housed on old fashioned pages, written up. As these collections go, it is very good, as it was clearly formed many decades ago and the write up is informative. Some of the countries include Netherlands Indies, Portuguese Colonies, Nicaragua, Peru, Fiji, Ionians, China / Shanghai, Bolivia, Brazil, Costa Rica, Liberia the first allegory issues, Chile colon heads, Bahamas Chalon heads galore, German States, Trinidad tridents, etc. Very worthwhile refernece, invaluable for comparison purposes, valued by us at £2 each.	£320.00	A
171	A MIXED LOT	QE2 sets, much definitives, complete to the high values. Some of the material amongst several 100s of stamps here, both mint and used. Include Barbuda fish blocks of 4 high values to \$5 and Grenada to \$10 (singles), St Vincent to \$5, various British Pacific, Pitcairn Islands, etc. Much seems to be based on marine life, so if this is your area, look no further, there is a huge range, completely uncatalogued.	£55.00	B

172	A MIXED LOT	Worldwide. An intriguing collection, particularly for material that is out of the box, housed in a good condition Ideal Stamp Album. The period is essentially pre WW2 and virtually all 20th century, both mint and used, several 100s of stamps, Antigua through USA. There are items here we have never seen before including much not in the mainstream catalogues. Areas well worth investigating are, for example, Egyptian inter postal seals in different colours, China, postage dues of British Commonwealth, as well as other regular good mint and parallel used sets of the Netherlands occasionally housed one over the other. Much material stuffed to the side of the album pages, so view very slowly allowing plenty of time, you will definitely not be disappointed and there are discoveries to be made.	£400.00	A

212	AFRICA	A very impressive holding crammed in 2 boxes, with virtually everything in mnh sets from the 1990s/2000s. Some of the countries include Burundi, Congo, Libya, Rwanda and British Commonwealth. Many different themes / topics including flowers, personalities, boats, art, space including interesting setenants, military, geology , gemstones, etc. There is some duplication as to be expected and the potential is enormous. The new cost issue is way in excess of £10,000+++ and the catalogue value, since much of it is at a premium today £20,000. This is very desirable range of material since it is hardly ever seen on the market. An opportunity with huge dividends to achieve quickly, as it is easily marketable and desirable material.	£450.00	A

296	FRENCH COLONIES	An extraordinary carded stock, virtually everything in mnh complete sets with 1000s of topicals, representing material since independence, much therefore yet not exclusively all from French Africa. Some of the countries seen include New Caledonia, Djibouti, Mali, Niger, Walis, Upper Volta, St Pierre, Central Africa, Dem Repub of Congo, Comoros Islands, French Polynesia, etc. We have been reliably told that the new issue cost would run into well over £20,000, especially for the 1970s to 1990 which is predominant. This is a must sell instruction from a dealer who is retiring, everything in superb condition. Ideal for a dealer, looking to break down for the internet, stamp shows or small units at auction. In short, a real money maker.	£850.00	A
297	FRENCH POLYNESIA	An outstanding stock of 1000s of mint stamps, virtually everything in complete sets with loads of better noted throughout, little duplication, generally up to 4 of each never hinged, across the board from the early issues to the 1990s. Basically, this represents a 40 year period with many different themes, it is completely uncatalogued and will clearly be many, many 1000s of £s in Gibbons. This represents one of the most saleable independent French Colonies, if not the best. All housed in one very well filed volume. A great lot.	£320.00	A

298	GB	Extraordinary holding of 1000s of stamps for the penny lilac issue including postal history, well written up. There are also 1000s of stamps including multiples used, all housed in one volume, definitely the eagle eye needing to identify better types, postmarks, etc. Fascinating, worth a good slow viewing for discoveries.	£420.00	A
