29	A MIXED LOT	Worldwide. The chaotic section of a retired dealer, primarily representing MNH sets, mostly housed on large Hawid cards from the 1970s through to the 2000s inc eurozone. Very intense and would benefit from considerable work, country for country. Accompanying this is also the sheet section which, as with the carded stock, has plenty of good topical themes. Nevertheless it is far more duplicated. The carded stock is therefore the best part and is particularly strong in British Commonwealth especially Pacific Islands, as well as general attractive sets for French Colonies especially the Independence period. Just taking any random section and working on it with the catalogues reveals huge potential figures retail. The catalogue will probably be in the order of £250,000, perhaps more. An opportunity of a lifetime for a topical dealer to resell on the internet, stamp shows and in many far smaller units at auction.	£550.00	A
30	A MIXED LOT	Worldwide. An extraordinary carded stock, the likes of which you are unlikely to ever see again, so casually presented, yet ordered. Displayed country for country, covering many dozens of different topicals / thematics overwhelmingly in complete sets. British Pacific Islands is also very strong here with a fv running into many 1000s of £s, yet alone new issue cost. Far East is also strong especially Laos and Vietnam, the latter of which is highly popular today, as well as general interest in the worldwide. The only category not present here is the French Colonies, offered separately in this auction. This is a must sell instruction from a dealer who is retiring - an opportunity not to be missed as this lot can be broken down into several other auction lots at multiples of our valuation.	£650.00	A
31	A MIXED LOT	Worldwide animal collection. Well over 1000 stamps, all one of a kind, overwhelmingly mint and much MNH, mostly in set format, housed in a well filled substantial album, part one for Afghanistan through to Ethiopia. There are several good countries here with better sets, such as Angola birds 1951 used, Angola animals 1953 MNH, Austria bird airmail set 1951, Barbados 1954 defines MNH, useful North Borneo, high cataloguing French Colonies with Cameroons, triangular CAR with high value airmails all MNH, etc, China with 1897 \$1 flying goose used, similarly the pigs set complete of 1960s, the birds 1962 MNH, the pandas and monkeys complete used, then the Cuba 1956 birds airmail set to 5p and other odd sets on to Ethiopia 1962 birds, A collectors collection and a delight to view.	£260.00	A
32	A MIXED LOT	Box with the Ideal Postage Stamp album, a little battered, with a range of mint and used, plus added pages. Worth a look.	£160.00	A

259	BELGIUM	Substantial box of Belgium containing 2 vols, primarily mint, virtually all in complete sets, as well as much more material housed in envelopes, outside of the books, as well as several 100s, perhaps more of the m/s. 319	FINLAND	A highly specialised holding of the lion definitive issues of 1917 1930, extraordinary in depth and scholarship. Overwhelmingly mint, this collector has gone out of his way to acquire multiples only, specifically with the sheet numbers and the years in which they were printed, such knowledge also being in the wing margins if these multiples, making it an easier task to identify. Considering that these are now identified with precision -except for shades and perforations -this is a remarkable holding, as only a very small fraction of each sheet has such imprints with this important information. Whatever catalogue theres is as singles is completely irrelevant to this highly specialised range of imprints. For the most part, it is chronologically organised and a feast for the eyes for the serious collector of Finland. Thoroughly recommended, almost irreplaceable.	£420.00	A

327	FRENCH COLONIES	An extraordinary carded stock, virtually everything in MNH complete sets with 1000s of topicals, representing material since independence, much therefore yet not exclusively all from French Africa. Some of the countries seen include New Caledonia, Djibouti, Mali, Niger, Walis, Upper Volta, St Pierre, Central Africa, DRC, Comoros Islands, French Polynesia , etc. We have been reliably told that the new issue cost would run well over £20K, especially for the 1970s -1990s which is predominant. This is a must sell instruction from a dealer who is retiring, everything in superb condition. Ideal for a dealer, looking to break down for the internet, stamp shows or small units at auction. In short, a real money maker. Don't miss this opportunity.	£700.00	A

344	GB	Organised A-Z with companies such as Alliance Assurance, Army and Naval, Chappell, etc. All reigns represented QV/KGV. Also seen scarce OHMS, high values and much more including fancy perf in designs. A conservative estimate would be 800 exmples ++, plus a further 700-800 representing work in progress to eventually be incorporated into the main collection. The time period covers penny reds through to QE2. All in all, at least 1,500 examples including many scarce, collected over a 50 year period. If this is your area, you need look no further. Much recommended.	£220.00	A
345	GB	Well written up, specifically for perfins on cover and documents, overwhelmingly the period of QV-KLGV. The collection starts with Downey Head AAO / CO through to Arthur Bunting and Co, Amalgamated Dental, AEB Anglo Egyptian Bank, BNZ Bank of NZ, through to WWD / &S, etc. Much more here alphabetically ordered including Royal Mail Lines, British Empire Exhibition pmks and others seldom seen. This is offered in tandem with specialised the perf in stamp collection, also in this auction.	£85.00	A
346	GB	Many 1000s of stamps housed in a well filled stockbook, primarily used, much stuffed stamp on stamp, making for a challenging viewing. The potential here however is enormous with for example on the 1/3d QV coronation by the dozen, lots of high values, graphite lines galore, different printings, Waterlow, de la Rue, Bradbury etc. There is much material that is unlisted and other oddball, as well as good fascinating collateral material to investigate. Completely uncatalogued -will easily go into £20k++ and very engaging to view.	£200.00	A

601	USA	A delightful, original old time collection that was put together decades ago and neatly mounted on quadrille album leaves, untouched, the pages being clean and very tidy in one Elba Classico, as album. The collection consists of well over 600 stamps, with a very good range of different pre cancels, on a wide selection of denominations and needs to be carefully checked to identify potentially better types, towns and cities. A lovely collection that is highly recommended for viewing and would not disappoint a serious collector or dealer of this specialist area.	£65.00	B
602	USA	More of an accumulation, this is very much a work in progress, well stored in one volume, on Prinz Pro Fil stockpages and must house in the region of 2500 stamps, some duplication from the earlier period in the 1920s to more modern issues, with some blocks and multiples noted. The stamps are grouped and partly sorted, but need further work to complete this task and could prove to be a true treasure trove.	£55.00	B
