

STRUCTURAL ENGINEERING

STRUCTURES THAT STAND STRONG — AND STAND THE TEST OF TIME

When it comes to bridges and structural design, HLR delivers more than plans — we deliver confidence. Our expert structural engineers and designers partner with you from the earliest planning stages through completion to ensure your project is safe, cost-effective, and built to last.

With decades of experience and a proven track record — including more local agency bridge designs than any other firm in Illinois — HLR is trusted by state agencies, municipalities, and private clients to turn complex ideas into dependable structures. Our designs prioritize constructibility, safety, and longevity, helping you stay on time and on budget while minimizing long-term maintenance costs.

Innovation That Moves Projects Forward

We stay ahead of the curve with cutting-edge materials, advanced technologies, and innovative methods that deliver solutions tailored to your goals — from aesthetic appeal to cost efficiency. Our proactive approach means fewer surprises during construction and more value over the life of the structure.

HLR's NBIS-certified inspectors also provide bridge inspections and load rating evaluations that give you a clear, actionable picture of existing infrastructure. This insight helps you plan strategically, prioritize investments, and keep your community moving safely.

Full-Service Structural Expertise

- + Structural Evaluation & Planning
- + Bridge & Structure Design
- + Bridge Inspections (NBIS-Certified)
- + Bridge Load Rating Analysis
- + Energy Infrastructure Development

Partner with HLR — Build with Confidence

From small municipal bridges to major highway infrastructure, HLR brings the experience, foresight, and innovation you need to deliver successful projects. Let us help you create structures that last — and communities that thrive.

About Hampton, Lenzini and Renwick, Inc.

Since 1965, Hampton, Lenzini and Renwick, Inc. (HLR) has partnered with communities, local agencies, and private clients to deliver expert engineering, environmental, and surveying services. As a 100% employee-owned firm, we embrace a culture of **Work Hard | Have Fun | Give Back®**, driving responsive service, effective collaboration, and stronger communities.

Our team of engineers, environmental specialists, surveyors, and technicians provides personalized support and expert guidance through every project phase—from planning to implementation. With five offices across Illinois, we have the resources to manage large, complex projects while staying connected to the people and relationships that matter most.
