We set every Sunday aside to worship the Lord, but today we also remember the saints. These men and women served the Lord during their time on earth and continue to give witness to the Lord by the example of their lives. During this month at the end of autumn, when we give thanks for the abundance of the harvest for another year, we also give thanks to God, whose harvest of souls in heaven we recognize in all the saints. May we one day join them and reap the heavenly reward that our Lord has won for us.
