Out of love, God created us and the entire world we live in. Out of love, God sent the Son who died for us to save us from our sins. Out of love, God sent the Holy Spirit to remain with us always. No wonder John wrote quite simply that God is love. Because we were created, redeemed, and made holy as acts of love, we are called to love in return. Specifically, Jesus teaches us today that the greatest commandment is to love God and love our neighbor. May our hearts expand with love as we join with our neighbor to worship God. ©LPi
