Parking Information

The Old Church has a small driveway reserved specifically for one staff member (off 11th Street Entrance) and one for renter / performer (off Clay Street.) Both cars must be pulled to the right or left, toward the street, to enable access by pedestrians and those with mobility devices. There is a ramp to the right of the Main Doors (Clay Street Entrance) that can be used to load in heavy equipment straight into the concert hall. Please bring your own hand truck, dolly, or carts.

NOTE: If your vehicle is larger than the standard van you will have to make other arrangements for parking. A list of options is below.
