

INDUSTRY SKILLS ADVISORY COUNCIL NT

2025 – 2030 STRATEGIC PLAN SUMMARY

PURPOSE

To contribute to increasing the capability and capacity of the workforce in the Northern Territory through provision of workforce intelligence and advice.

VISION

A balanced workforce in the Northern Territory, where the skills and capability of the workforce match industry demand, and workforce policy is fit-for-purpose and effective in meeting the needs of organisations across all industry sectors.

MISSION

To inform and influence workforce initiatives and policy with industry-leading, independent advice founded in engagement, research, advanced analysis and innovative problem-solving, and facilitate connection between workforce stakeholders.

WHAT DOES ISACNT DO?

Workforce development

Support training package development

Promote vocational education and training

Provide advice and intelligence

WHAT DOES THIS MEAN?

ISACNT collects and collates Northern Territory workforce information across a diverse range of metrics, and then uses advanced analysis and forecasting tools to extract insights, identify patterns and estimate what this means for future Northern Territory workforce requirements.

ISACNT provides this information to industry, employers, governments and other stakeholders to help inform the design of initiatives, policy and other innovative solutions and discrete projects to address workforce challenges, connect stakeholders in the ecosystem and strengthen the Northern Territory workforce.

STRATEGIC THEMES

ISACNT has identified the following themes as critical to our strategic organisational development for 2025 to 2030.

Driving sustainability

Our focus areas

- Team sustainability
- Financial sustainability
- Governance

Strengthening our partnerships

Our focus areas

- Reinforce ISACNT's existing network
- Pursue network creation and development opportunities
- Prioritise regular feedback loops

Growing our presence

Our focus areas

- Grow our brand, reach and profile
- Explore expansion
- Increase our engagement with regional and remote stakeholders

Preparing for our future

Our focus areas

- Integrate cutting-edge tools and processes
- Be responsive and adaptive
