# EXPORTS

NJR Steel-Exports (Pty) Ltd consists of a dynamic team of individuals who supply the Sub-Saharan African market and local trading houses with a wide variety of steel products.

NJR Steel-Exports offer a turnkey procurement service and excel at consolidating any type of orders which are sold and distributed to our diverse customer base on the African continent and even beyond.

Strategically based at our main distribution warehouse in Brakpan, NJR Steel-Exports have easy access to the entire NJR Steel range of products as well as access to products manufactured on the same site by NJR Steel Reinforcing Mesh, NJR Steel-Flat Processing, and NJR Steel-Fencing. This allows for quick and easy loading of mixed loads onto transporter vehicles

Proudly supplying  
steel to Africa through  
our exports division
