# Operation

## Button Operation and Descriptions

1. Push the  Power button to switch on the power

2. Push the  Cycle button to select suitable automatic program

After the power is switched on, "Normal" is automatically set. To select other fully-auto program, please push the "Cycle" button till the corresponding indicator is light. Refer to the "Cycle" button on Page 12.  
For an example: select Quick for the quick washing of the laundries with light dirt.

Page 12 

3. Push the  Water Level button, select suitable water level

After switching on the power, when the normal program is selected, the washing machine will execute fuzzy program automatically to detect the cloth. After detection, it can set the water level automatically. To select other water level, first push the "Start/Pause" button, then push the "Water Level" button to set the water level.

4. Push the  Delay button to select suitable reserve wash program

After switching on the power, the reserve time program is set to off mode automatically. If you need to set the washing procedure to be finished at delay time, please push the "Delay" button to set the reserve washing program. Refer to delay button in Page 12 for selection.

■ Confirm the reserve program

Page 12 

■ When the "Delay" function is activated, the indicator light of the program you have set will be off. The "Delay Time" and "Remaining Time" indicator lights will be on.

The washing will finish about 18 hours later

■ During reserve procedure, push the "Delay" button to display the relay mode.

■ To change the running program or cancel the relay setting, you need to switch off the power and make new selection.

5. Push the  Start/Pause button, close the top lid

If the top cover is opened, the washing machine will stop running and tweet during spinning, then close the lid, you must push the Start/Pause again to continue running.

## Cycle completed

When the machine has completed the selected/current wash cycle an audible alarm will sound and the machine will switch off automatically.
