## PROGRAMME 2026

### Our Aims are to:

- Ensure the town's remaining fine or historically interesting buildings are preserved for future generations
- Monitor the upkeep of green spaces and make our own contributions, where appropriate, to their provision
- Keep a watching brief on new developments and make constructive comments on their likely impact on the town's environment
- Encourage sustainable development and refurbishment
- Encourage a vibrant, attractive, economically viable environment in which to work, live and for leisure.

*"Preserve the good in the old;  
encourage the good in the new"*
