MESSAGE FROM THE EXALTED RULER

We have got off to a good start for the ELK year. Our Lodge has been busy with banquets, dinner specials, and events. Our employees, officers, and volunteers have done a great job. The banquet committee has been busy almost every weekend supporting many banquets, bingos, celebrations, proms, dinners, and more. We have received great feedback from these events. Thank you to all those that have worked so hard to make the event hall successful. If there are any members who want to join the banquet team please let our Secretary, Myself, or Joni know. We need more volunteers to keep the same level of support.

We have some events planned during the next couple of months. You can find them in the newsletter, website, and email blasts. Please R.S.V.P as soon as you can and get your tickets. We would really love to see more members supporting and enjoying these events and supporting the social quarters.

In June we honor our Country's flag with our Flag Day ceremony ritual to be held June 12 at the Hagerstown City Park Band Shell. The Hagerstown Municipal Band will play music and a local scout troop will be carrying the flags. Also in June, if you or someone you know has some items that they would like to sell, reserve space at the Yard Sale the Lodge is having in the parking lot on the 18th.

Our Members Annual Picnic and raffle will be held the 3rd of July, get you tickets turned in. The raffle has been a good fund raiser for us in the past. Let's make this one even better. There will be entertainment along with good food. I would also like to highlight our charity golf tourney we are having in September. Don't wait, sign up soon and invite guests to support this charity event.

We are looking for members to volunteer at the Lodge. We have opportunities in the dining room, kitchen, bar, banquet committee, and all our other committees. We could use volunteers to help at our Thursday night Charity Bingo. Any amount of time would be appreciated. Please contact our Secretary, Myself, or Joni to sign up. Thank you for all you do. Have a safe and wonderful summer.

Michael Collins.

11th HOUR TOAST

You have heard the tolling of eleven strokes. This is to remind you that with us the hour of eleven has a tender significance. Wherever Elks may roam, whatever their lot in life may be, when this hour falls upon the dial of night the great heart of Elkdom swells and throbs. It is the golden hour of recollection, the homecoming of those who wander, the mystic roll call of those who will come no more. Living or dead an Elk is never forgotten never forsaken. Morning and noon may pass them by, the light of day sink heedlessly into the west, but ere the shadows of midnight shall fall, the chimes of memory will be peeling forth the friendly message:

“TO OUR ABSENT MEMBERS”

Elks Care . . . Elks Share

Elks Lodges bring more to communities than a building. They are a place where we can come together, share meals, and inspire each other to a higher resolve.

Elks invest in communities to help children, the needy, in programs that create a healthy and caring environment for our citizens, and that meet the need of our veterans.
