Severe Weather Closure Policy

Our aim is to make every possible effort to stay open and deliver our service. However, with an adverse weather situation, the setting will aim to be open and running for all the children as long as:

- It is safe to do so.
- We have the correct amount of staff to maintain the required ratios of staff and children.
- In the case of CLOSURE due to Adverse Weather, we will aim wherever possible to give parents as much notice as possible.

If we are closed we will inform parents/carers directly via email and possibly via text message.

We will also publish information on our Facebook page, our website blog and on Tapestry.

We will inform Norfolk County Council and Ofsted of the closure as required.
