

July

Summer is officially here and it is getting hot!!! We have had a great start to the summer semester and it is flying by! During the summer months, the heat often limits the children's outside time. Stepping Stone will reduce outside play anytime the heat index rises over 95 degrees. Stepping Stone will cancel outside play if the heat index is over 100 degrees. You may notice that the children will play longer in the morning if we anticipate the afternoon being too hot. Also, you may see the kids enjoying a popsicle in the shade or playing a water activity to cool off. Teachers will take out cold water each time they go outside to ensure the children stay hydrated. Please make sure all children are dressed appropriately for summer weather and that all spare clothes are weather appropriate.

Please remember that Stepping Stone DOES NOT accept daily lunch orders. You must be on the Hot Lunch Program or provide a lunch daily.

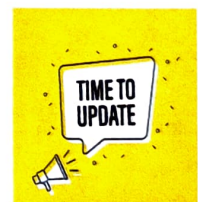

It's time again for our Annual 4th of July Parade on July 2nd! Every year, Stepping Stone School hosts a patriotic program and parade involving our children! The 4th of July program will start our celebration beginning at 10 am. There will be special performers and presentations, followed by our parade. All of the events will take place under the awning in our circle driveway. The newspaper and news will be present to take pictures and broadcast our tribute to all the brave men and women who have served and are serving our country. Family and friends are invited and encouraged to attend!

A reminder that children must remain out of care for at least 24 hours after symptoms subside without the use of medication. Please refer to the handbook for a detailed list of care exclusions due to illness. Bringing your child to school ill, exposes everyone to the illness.

We are now enrolling for before and after school care. Spots fill up fast and opened to the public on July 1st. Stepping Stone offers before school drop off at FCA, Andy Woods, Rice, and Cumberland Academy. Afterschool pick-up from FCA, Jack, Owens, Rice, Andy Woods, Bell, Clarkston, Wise, Cumberland, and Whitehouse ISD.

Please make sure that all your contact information is up to date. This includes phone numbers, addresses, email addresses, and emergency contacts. This is essential to be able to get a hold of you for your child's needs and for billing. Also, if you have not downloaded the ProCare App, we encourage you to do sign. It is not only the app to sign in and out, but a vital communication tool for the school and teachers.
