CHATTANOOGA MARRIOTT

Helping people get healthcare and hope

About Volunteers in Medicine, Chattanooga
Volunteers in Medicine, Chattanooga (VIM) is a faith-based primary care clinic providing essential healthcare to financially eligible individuals who would otherwise lack access to medical services.

Dedicated volunteer physicians, nurse practitioners, nurses, and other clinical professionals generously contribute their time and expertise to care for patients. Administrative volunteers provide vital support by answering phones, scheduling appointments, processing paperwork, and helping patients navigate and coordinate their care.

VIM's paid staff coordinate volunteer medical providers, manage an on-site dispensary, and offer lifestyle education seminars that empower patients to make informed decisions and achieve better health outcomes.

Quality care at no cost to patients

All services are provided at no cost to patients, ensuring that access to essential healthcare is never limited by their ability to pay.

The annual For the Good luncheon celebrates the dedicated volunteers and patients who are at the heart of VIM's mission while raising critical funds to sustain its work. Through the generosity of sponsors and donors, we can continue opening doors to healing and hope for those in our community who need it most.

JOIN US ON APRIL 14, 2027 AT THE CHATTANOOGA MARRIOTT.

Every dollar

helps people right here who need care
