

DINE OUT FOR VETERANS

JOIN US ON NOVEMBER 9TH TO SUPPORT OUR HEROES

Dear Community Supporter,

Veterans To Farmers (VTF) is a 501(c)(3) nonprofit organization turning protectors into providers through education and on the job training in urban agriculture, hydroponic growing systems, and business operations. VTF works directly with partner organizations to redeploy and employ VTF graduates (our military veterans) into working farms across the country.

On Thursday, November 9th Veterans to Farmers will be working with restaurants throughout Colorado to raise money and awareness for Veterans and their support of our community through agriculture. The funds raised from this event will be used to train veterans and purchase equipment necessary for our students and graduates of the program to succeed in their farming endeavors. We will also use these funds to bring resources and people to the Veterans to support them in their transition to civilian life.

With your help we can continue to help more Veterans find their purpose in our local community. We are asking restaurants involved to donate 15% (Gold Sponsor), 10% (Silver Sponsor) or 5% (Bronze Sponsor) of total sales from the day to our organization. For restaurants or other businesses that would like to be involved but are not able to commit a percentage of sales, event sponsorships are available with different levels of branding based on contribution. Please reach out and we can discuss opportunities for your organization, your support is important to the work we do at VTF.

Thank you for your time and consideration, we know that your hard work is what makes restaurants so valuable to our communities and we thank you for that. Please let me know if I may answer any questions for you or if you would like to discuss the logistics moving forward. I am available anytime via email, phone call, or text.

In Solidarity and Gratitude,

Taylor Drew

Executive Director
