## APPLICATION TO CONSTRUCT PRIVATE ENTRANCES, DRIVEWAYS AND APPROACHES [INCLUDES RELOCATION]

Address		[Describe ty	pe of work to be done]
[Insert name of road and location of work to be done; include name of subdivision, if applicable.]  If new pipe required ~ Diameter:	in Warrick Co	ounty, located on County Road	
REGULATIONS AND REQUIREMENTS TO FOLLOW:  1.) Minimum size of any structure or pipe culvert installed in a county road ditch shall be 12" diamet the equivalent opening. The correct size shall be determined by the County Engineer.  2.) Minimum length of any pipe culvert shall be 20 feet. If the County Engineer requires any addit length, it will be stated on the permit.  3.) No used or damaged pipe culvert shall be installed without the written consent of the County Enginean Aluminum pipe culvert shall not be used.  4.) All surface drainage created by the installation of said entrance, driveway or approach shall channeled into the road ditch rather than being allowed to flow onto the county road.  5.) The permittee shall assume responsibility for all maintenance of such approaches from the right-of-way line to the of the traveled roadway. The permittee shall keep the highway pavement free of loose aggregate at all times.  6.) No such entrance or approach shall be altered from the approved permit without written permission from the County.  7.) The permittee shall assume responsibility for any damage or injury to persons or property resulting direct indirectly from the construction of any approach or driveway.  8.) The permittee shall remove or relocate any such entrance or approaches when requested to do so by the County interest of safety to the roadway traffic. Permits issued for driveway entrances and approaches may be rescinded time by the County. For the purpose of Road or Bridge Construction or improvement, said driveway entrance approaches shall be removed at any time upon the request of the County.  9.) Any additional requirements or deletions from the above shall be determined on the basis of separate case presented.  10.) The County Highway Engineer reserves the right to refer any application to the Board of Commissioners.
