# THANK YOU FOR WATCHING!!

## SENIOR SHOUTOUT - JAYMEE BAKER

**Jaymee will be attending Cal State University, Long Beach in the fall and majoring in Kinesiology.**

“I started dance at the age of nine and quickly fell in love. I feel that the love and support from all of the people and staff at American Dancers Workshop have truly shaped me into who I am today. I would like to thank my teachers for always pushing me to be the best I can be, not only in dance, but in everyday life as well. I have made so many unforgettable memories and I know that my dance family will stay with me for the rest of my life. I would also like to thank my parents, grandparents, and other family members for always supporting me.”

## SENIOR SHOUTOUT - JOSELYN CORTES

**Joselyn will be attending California State University, Chico in the fall to major in Animal Science as she works toward becoming a veterinarian.**

“Since the age of 4, American Dancers Workshop has been my second home and a place filled with so many unforgettable memories. I am so thankful for the teachers who have always supported and encouraged me throughout the years, and for the competition team that gave me my lifelong best friends. I would also like to thank my parents and dance teachers for all of their love and support throughout my dance journey.”

## SENIOR SHOUTOUT - JORDYN NAVARRO

**Jordyn will be attending California Baptist University in the fall to pursue a major in Nursing. She plans to become a travel nurse.**

“For a little over 10 years, American Dancers Workshop has become my second home. Since I started around the age of 7, my teachers have seen my potential and helped me grow both physically and mentally. I have developed a strong passion for dance, especially lyrical, and I feel blessed to share that passion on the competition team. I am grateful for the memories and opportunities that dance has brought me, as well as for the teachers and friends I consider family. I will forever cherish the late night rehearsals, dance competitions, recital weeks, and getting to teach the younger dancers. I would also like to thank my parents and older sister for the sacrifices they’ve made to support my dancing, as well as my grandparents for their love and encouragement. Above all else, I would like to thank God for the privilege of dance and for providing all that it encompasses.”
