

# CAPABILITY STATEMENT:

DRIVING INNOVATION, REDUCING DOWNTIME, AND DELIVERING LASTING VALUE ACROSS MINING, QUARRYING, TRANSPORT, AND AGRICULTURE SECTORS.

**STYLIE**  
GROUP

**ENGINEERED  
SOLUTIONS  
THAT REDUCE  
COSTS, EXTEND  
EQUIPMENT LIFE,  
AND MAXIMISE  
PRODUCTIVITY.**

**SMARTER COMPONENTS.  
STRONGER PERFORMANCE.  
LOWER DOWNTIME.**

**STYLIE GROUP:** *We are a family-owned business with over 15 years of expertise in the design, manufacture, and supply of high-quality wear parts, metal fabrications, and bespoke solutions.*

Serving the mining, quarrying, transport, and agriculture industries, we deliver precision-engineered components that meet rigorous standards and exceed client expectations. By combining technical expertise, advanced manufacturing techniques, and a customer-first mindset, we provide solutions that drive efficiency, reduce costs, and optimise equipment performance.

# **CORE CAPABILITIES:**

## **MINING & QUARRYING SOLUTIONS**

- Specialising in custom-designed and OEM-compatible crusher wear parts, liners, and components to enhance equipment longevity and performance.
- Extensive expertise in mining and quarrying equipment, ensuring minimal downtime and maximising operational efficiency.
- Offering advanced materials and designs tailored to withstand the harsh conditions of mining environments.

## **METAL FABRICATION & CUSTOM SOLUTIONS**

- Comprehensive metal fabrication capabilities with steel, stainless steel, and aluminium to meet diverse industry requirements.
- Bespoke projects including agricultural equipment, structural steel components, and heavy vehicle repairs designed to client specifications.
- In-house design and prototyping expertise, ensuring tailored solutions that minimise operational costs and downtime.
- Expertise in precision machining, plasma cutting, and other advanced fabrication technologies.

# **CORE CAPABILITIES:**

## **MANUFACTURING & WELDING**

- High-quality MIG, TIG, and arc welding services, delivering robust and reliable products with precision finishes.
- Handling projects of varying scales, from intricate prototypes to large-scale production runs.
- Flexible production schedules to accommodate urgent client needs without compromising quality.

## **MAINTENANCE & REPAIRS**

- Comprehensive repair and maintenance services for agricultural machinery, heavy transport vehicles, and quarrying equipment.
- On-site support and preventative maintenance plans to keep equipment running efficiently.
- Expertise in refurbishing wear parts and components to extend their service life and reduce replacement costs.

# WHY CHOOSE STYLIE GROUP?

## PRECISION-BUILT FOR PERFORMANCE: CUSTOM SOLUTIONS THAT KEEP YOUR OPERATIONS MOVING.

**STYLIE GROUP:** *Styleie Group combines innovation, quality, and technical expertise to deliver cost-effective, custom-engineered solutions. With a focus on reducing downtime and extending equipment life, our skilled team partners with clients to provide dependable service, precision manufacturing, and long-term value.*

- **INNOVATION AND PROBLEM-SOLVING:** At Styleie Group, innovation is at the core of everything we do. We design custom components and solutions with a focus on saving our clients money and reducing downtime during scheduled repairs, maintenance, and parts replacement. By leveraging our in-house design capabilities and technical expertise, we create solutions that address unique challenges and drive measurable results.
- **UNCOMPROMISING QUALITY:** Every product is crafted to the highest standards, undergoing stringent quality control to ensure it meets and exceeds client expectations. We use premium materials and state-of-the-art techniques to deliver durable, high-performing components.
- **CUSTOMER-CENTRIC APPROACH:** Our clients are at the heart of our business. We pride ourselves on building long-term relationships by providing personalised service, free expert advice, and ongoing support throughout every project phase.
- **SKILLED AND EXPERIENCED TEAM:** Our highly skilled professionals bring a wealth of knowledge and craftsmanship to every project. Their dedication to excellence ensures the best outcomes for our clients, regardless of project complexity.

# **INDUSTRIES & AREAS WE SERVE**

**PARTNER WITH STYLIE GROUP  
FOR RELIABLE WEAR PARTS,  
CUSTOM FABRICATIONS, AND  
EXPERT SOLUTIONS BUILT TO  
STAND THE TEST OF TIME.**

## **INDUSTRIES:**

Style Group proudly supports Australia's mining, quarrying, transport, and agricultural sectors. Our custom-engineered solutions are built to withstand the harshest conditions, delivering durability, efficiency, and long-term performance across critical industries. Whether it's wear parts for heavy mining equipment or precision fabrication for farm machinery, we tailor every solution to meet the unique demands of each field.

## **SERVICE AREA:**

Operating from Allora, QLD, Style Group serves clients across all Australian states. Our strategic location ensures timely delivery of products and services, coupled with unparalleled customer support, no matter where our clients are based.

# THE STYLIE GROUP MISSION

*At Style Group, our mission is to deliver innovative, high-quality solutions that enhance the performance and longevity of our clients' equipment.*

*We strive to be industry leaders by combining advanced technology, continuous improvement, and a customer-first approach. Our goal is to build lasting partnerships by exceeding expectations and delivering value with every project we undertake.*

# READY TO OPTIMISE YOUR OPERATIONS?

**IF YOU'RE LOOKING TO  
REDUCE DOWNTIME, CUT  
COSTS, AND IMPROVE THE  
LONGEVITY OF YOUR EQUIPMENT,  
STYLIE GROUP CAN HELP.**

**Our innovative wear solutions are designed  
to meet the toughest industry demands.**

**Get in touch today to see how we  
can support your business.**
