BUILDING WORKS UPDATE

The digging of the foundations is finished and steel works are being prepared for the pouring of the slab. Once this is completed in the next couple of weeks, we will start to see the steel frame erected

HEATING

To enable the foundations and slab to be poured, the heating pump needed to be moved. This means the heating has been decommissioned for the foreseeable future until the new building with its additional heating fans are installed and then all will be recommissioned

Do look at the photos & videos on our facebook page for regular updates

Deeper with God

Collect for 1st after Trinity

O God, the strength of all those who put their trust in you, mercifully accept our prayers and, because through the weakness of our mortal nature we can do no good thing without you, grant us the help of your grace, that in the keeping of your commandments we may please you both in will and deed; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

Please pray for those from our fellowship or their family who are unwell:

Shirley W; Rene H; Damian C; Phyllis & Jim B; Tony & Tess L; Tina P;
Zac P; Peter G, Jean B's granddaughter Laura

Please pray also for all those who we know who are frail or have dementia and for those who care for them.

Please pray for our Mission Partners:

International Justice Mission, CPAS and Street Angels.

Please pray for the work and mission of ReSkilled.

Weekly Prayer Challenge

Heavenly Father

As we enter June we thank you that our building works continue and progress is being seen. Thank you that we still have a building in which to worship and to welcome our community.

As we pray, help us to realise your will for our lives, to ignite the fire in our hearts so that we may serve you in the way that brings joy, in our building now, our building to come and in our community.

Amen
