

Mass Intention Reservation Procedure

Mass Intentions for 2027 will be open for reservation starting Monday, September 14, 2026 at 9 a.m. Read the following procedures carefully:

1. Per the Bishops of the Province of Wisconsin, effective July 1, 2024, Mass stipends are \$20/Mass.
2. Requests will be taken via phone call or in-person in the Parish Office no earlier than 9 a.m. on September 14. We will take requests in the order that they are received. There is no wait list.
3. Due to high demand, Mass Intentions are limited to six requests per household per calendar year. Up to two of your Mass Intentions may be on weekends.

Due to the high volume of requests we typically receive on the first day that the Mass book is open, please be prepared for long wait times- whether you are waiting in person in the Parish Office, or you are waiting for a return phone call.
