

PARABLES OF JESUS

The parables of Jesus are located mainly within the three synoptic gospels of Matthew, Mark, and Luke and their importance can hardly be overestimated. They are generally regarded by scholars as among the sayings which we can confidently ascribe to as the authentic words of the historical Jesus and reflect the great themes of Jesus' preaching. Perhaps no part of the Gospels, then, can better put us into touch with the mind of Jesus than the parables and still today, present us with the challenge with which Jesus encountered his hearers in first-century Palestine. Join Bridget Klawitter, Pastoral Associate for this interesting look at many of the parables through the lens and culture of early Palestine and

the implications for us in today's modern world.

Wednesday's October 8 – December 10

Cost: \$10

Mornings 9:30 – 10:30 AM

In-person in the Gathering Space & via Zoom

~OR~

Evenings 6:30 – 7:30 PM via Zoom only

[Link will be sent for those participating through Zoom]

REGISTRATION REQUIRED BY MONDAY SEPTEMBER 29

for either session to receive schedule of sessions and for adequate materials to be ordered

~ RSVP to Bridget Klawitter, Pastoral Associate @ bridget.klawitter@stleonards.org or 262-679-1773
