

Pet Policy

At The E, we love our pets just as much as we love serving our residents. A Pet Profile through PetScreening.com is now required for all pets, service, and emotional support animals. Any applicable pet fees must be paid in full prior to the addition of a pet to your home. Once you complete your pet profile, a member of our team will share the details of those pet charges - at move in, monthly, or both as permissible and applicable.

To ensure the comfort of our residents and pets, please know we do not permit aggressive dog breeds including but not limited to Pit Bulls, American Staffordshire Terriers, Rottweilers, Wolf Breeds, presa Canario, Shar Pei, or anything predominately mixes with the aforementioned. No weight restrictions. Limit 4 pets per unit please. Management has the discretion to limit other breeds and cannot permit inherently dangerous, exotic, feral, or wild animals.

There is a one time non-refundable pet fee and monthly per pet rent that will be added to lease agreements based on PetScreening FIDO score. This does not include the PetScreening.com fee.
