To Whom It May Concern:

Thank you for considering a partnership with ATRS to support Michigan Humane. When you partner with ATRS, you support programs and services that help more than 100,000 Michigan animals and people every year, including:

- 6,500 pets are treated in our shelters and adopted by loving families.
- 5,300 visits are made by our cruelty investigators and rescue agents, saving vulnerable animals and helping people who simply need resources to best care for their pets.
- 2,500 veterinary students are inspired through career pathway programs, from summer internships and nursing apprenticeships, to high school introductory tours and internships.
- 30,000 owned pets are kept with their families thanks to our pet food pantry and community vet care and outreach programs.
- 27,000 clients are served at our vet clinics in Detroit, Westland and Rochester Hills.

Michigan Humane is deeply grateful for our partnership with ATRS that has spanned 14 years and contributed more than \$750,000 to our lifesaving work. Our local ATRS partners Michael and Patrick treat our partnership with the utmost respect and professionalism. They present a monthly accounting of bin collections and a check reflecting the previous month's proceeds without fail, building our full trust and confidence.

Thank you again for your consideration. We hope you'll join the team of local businesses who help us help those who need us most!

Sincerely,

A handwritten signature in black ink that reads "Deb Scola".
