# EXECUTIVE DIRECTOR'S REPORT

Greetings, and welcome to the 2022 Annual Report for Love's Arm Outreach. This year we were able to reflect on lessons learned during the pandemic. Most notable was the increased attrition in our residential program and the remarkable increase in the number of encounters in our street and motel outreaches. We also launched an Acute Care program that allows us to better serve the short-term needs of those in immediate crisis. We are excited to expand this service in 2023.

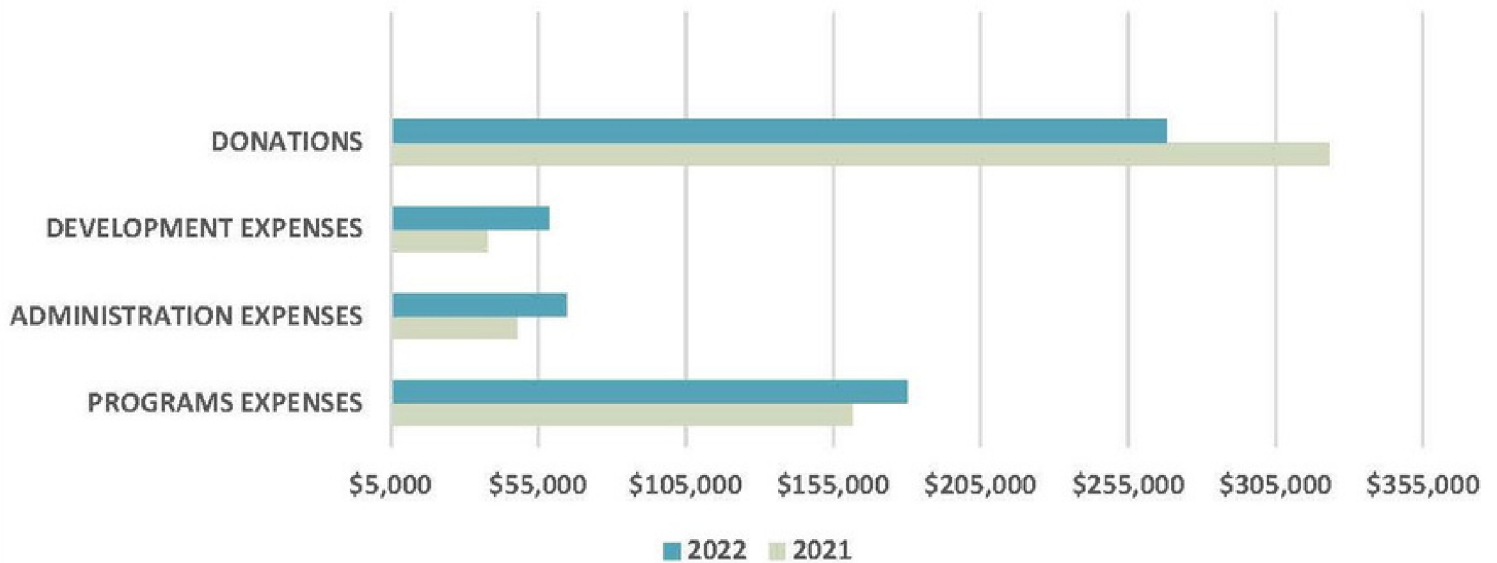

This report highlights each of our programs and provides a snapshot of the financial contributions that allow us to provide services. Our IRS form 990 provides more detail and can be provided upon request. In addition to the data, you will see a tribute to our founder, Mimi Nikkel, who will be retiring in March 2023.

## PROGRAMS RESULTS 2022

# STEWARDSHIP

## FINANCIAL SUMMARY 2021-2022

Love's Arm is committed to a high standard of financial transparency and accountability in stewardship. In 2022, sixty-seven percent of our support was received from individual donors and local church missions support, with thirty-three percent coming from family and community foundation grants. Our desire is to increase individual and local church mission support to seventy-five percent. We welcome accountability and will make our financial reports available upon request. Our annual 990 can be viewed on Guidestar, and we are listed as a charity in good standing with the organizations listed below. Our Board of Directors examines our financials every other month to ensure accountability and good stewardship of the resources with which we have been blessed.

# RAHAB'S REST

We welcomed Chrissie Holland into the new position of Survivor Services Manager. She brings both personal and professional experience to help survivors on their journey to restoration.

Below is a list of the many activities and classes that Chrissie oversees as part of the healing process.

Rahabs Rest Class Attendance Summary 2022

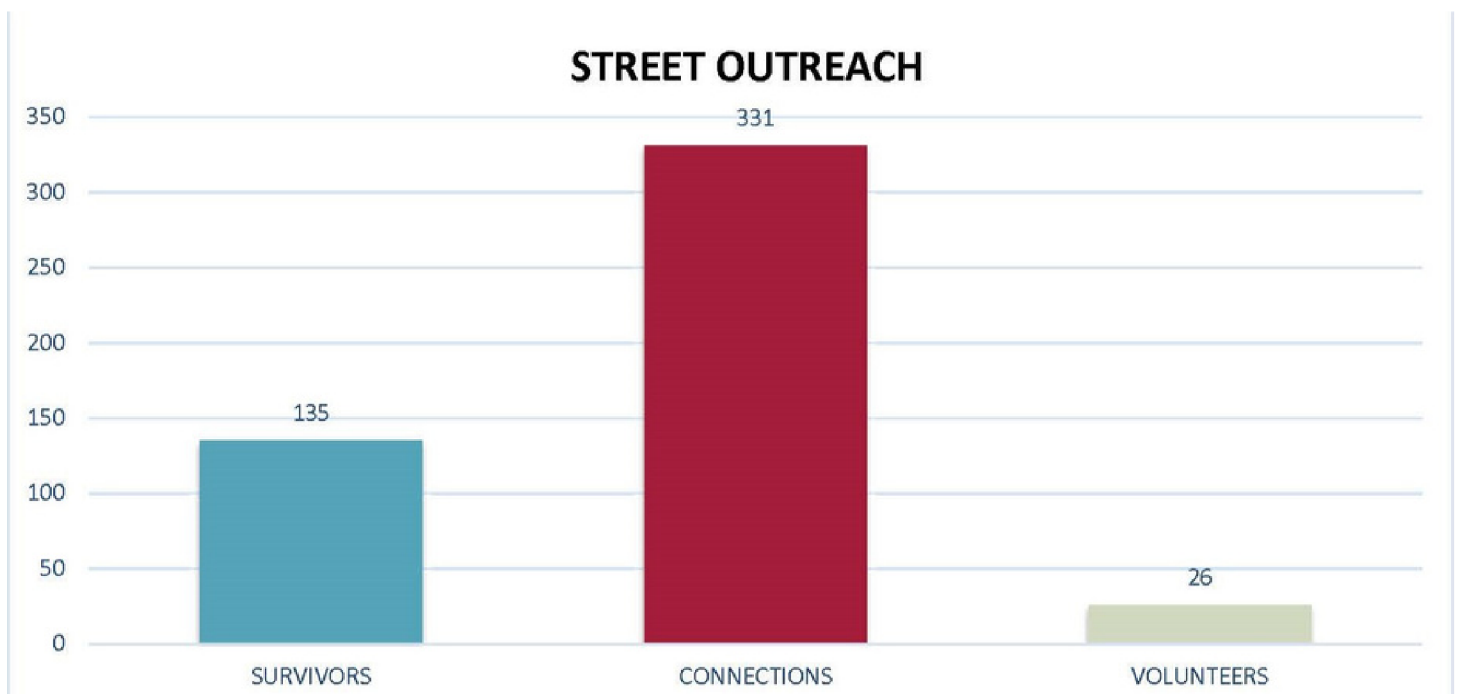

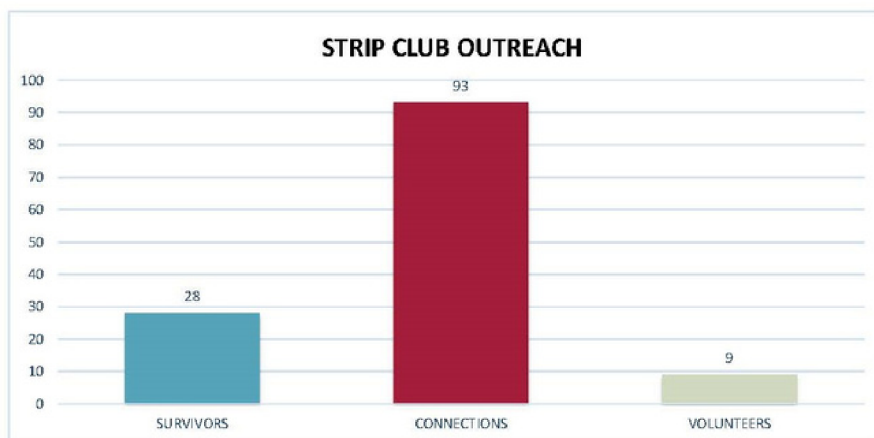

# STREET OUTREACH

Street Outreach is a critical part of our ministry. It allows us to meet survivors where they are and demonstrate unconditional love. Rachel Duke, Carolyn Nichols, and Mimi Nikkel lead this ministry with compassion and care. Last year we were blessed to be joined by CEMPA Community Care with their mobile health unit to offer medical care for those who need it most.

# STRIP CLUB OUTREACH

Frances Maxwell leads our strip club ministry where we engage with women to let them know that we care and that they can always reach out to us. We always feel blessed when they welcome us and ask for prayer, words of encouragement, or any other needs.

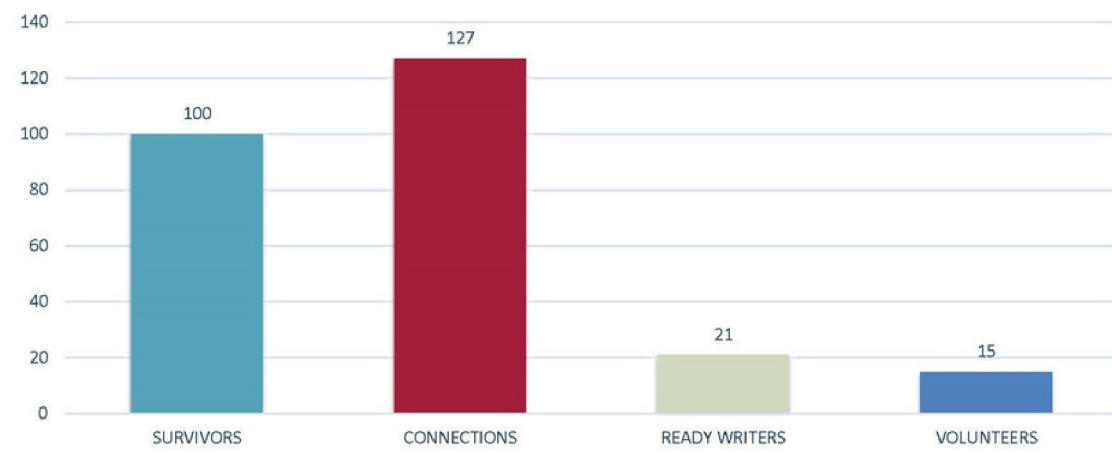

## JAIL CLASSES & READY WRITERS

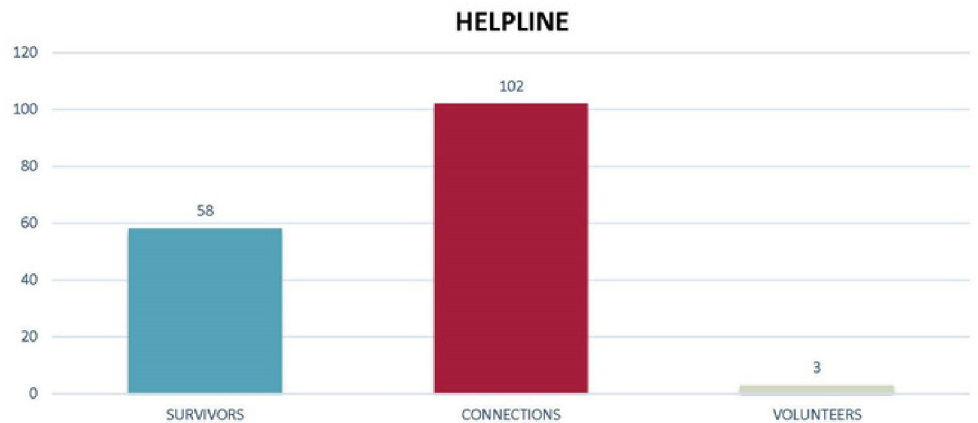

A little known fact is that the idea to start Love's Arm came to our founder after a Bible study with women in the local detention center.

Our volunteers love meeting these women and offering them love, understanding, and encouragement as they reflect on their lives and plan for their futures.

### IN JAIL CLASSES & READY WRITERS

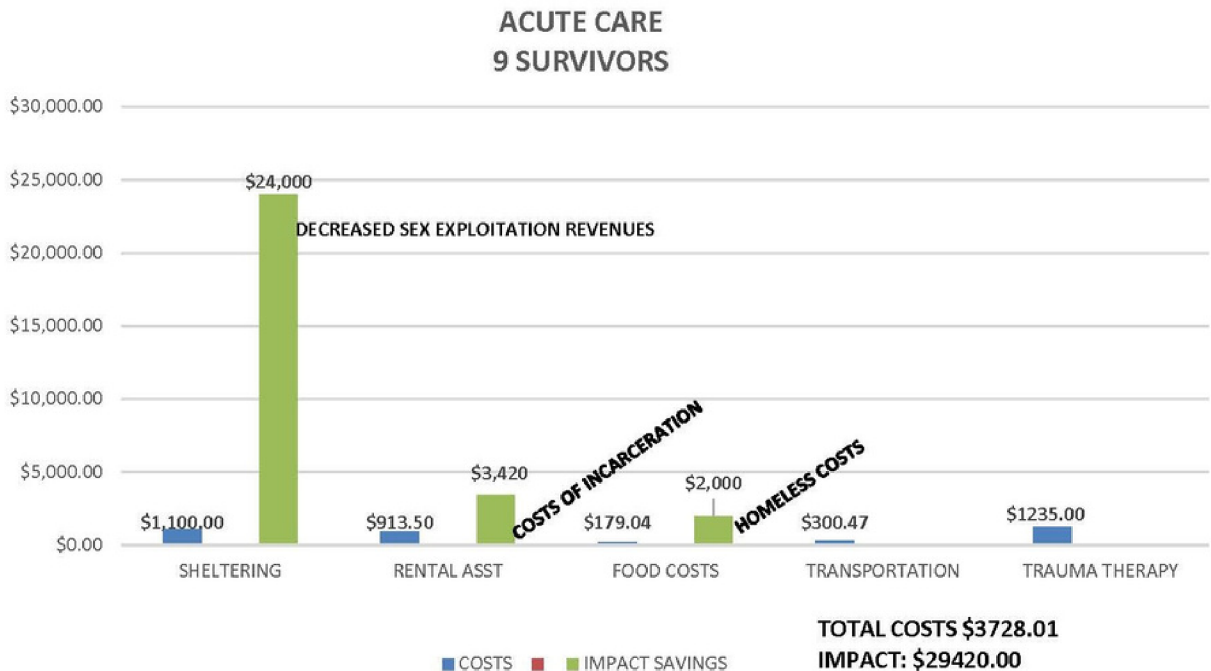

# HELPLINE

The Helpline is usually a survivor's first contact with us. We are registered with POLARIS and have served so many who call this number. Karen Roddy leads this ministry with professionalism and grace.

# ACUTE CARE

There is nothing like the feeling of being able to tell a survivor that we can provide immediate shelter, food, and resources away from traffickers or direct circumstances in the streets. Our new Acute Care program was launched in 2022 and allows us to meet the critical needs of those who reach out for help.

# THE SHOP AT LOVE'S ARM

The Shop at Love's Arm is our social enterprise which will provide survivors the chance to learn job skills and earn a meaningful wage. We are grateful to have commission artwork from two survivors that is available for purchase.

## REFLECTIONS ON OUR FOUNDER

How does one begin to speak of the influence that our Founder, Mimi Nikkel, has had on so many lives? We are privileged to have been invited to join her remarkable journey as a survivor of trafficking, prostitution, and addiction. Her faith and determination to help others is her legacy. For the past 17 months, I (Inza) have been under her tutelage. She has fed me grace, wisdom, and passion for showing unconditional love and care to the brokenhearted.

She reminds me that the path forward is mine to choose, and that I should stay true to myself instead of trying to mimic her. Given her legacy, that is difficult advice to take. The staff and I pledge to do our best, and we look forward to honoring Mimi's vision, while forging ahead with bold plans to grow and strengthen the mission of Love's Arm.
