

Pick Your Dream Home

- ✓ Select your preferred floor plan and homesite
- ✓ Meet with our preferred lender
- ✓ Sign the Sales Agreement
- ✓ Submit your sales deposit
- ✓ Choose structural options, such as additional bedrooms, a home office, or other available layout enhancements

Watch It Come To Life

Site Prep

Lot is cleared, leveled, and excavated

The Home Takes Shape

Building constructs the walls, floors, and rooms

Systems Installation

Plumbing, wiring, heating and cooling systems are put in place

Exterior Finishes

Siding, exterior trim, and paint are added to complete the outside

Remember those design appointments?

Interior Finishes

Floors, cabinets, lighting, and paint bring your home to life.

Make It Yours

Now it's time to personalize your home and create a space that's uniquely yours.

- ✓ Review all available home options and upgrades
- ✓ Personalize interior and exterior finishes
- ✓ Attend design appointments to finalize your selections
- ✓ Submit design deposits

Foundation Work

Footings are poured and concrete is set

Weatherproofing

Roofing, Windows, and exterior doors are installed

Frame Walk

Preliminary walk with sales agent and superintendent to confirm options

Insulation and drywall

Insulation goes into the walls and ceilings, followed by drywall installation and finishing

Welcome Home
