The Preserve

AT GENOA RANCH

A Gateway to the Great Outdoors

Live life to the fullest. Imagine starting the day on the slopes of world-renowned Heavenly Ski Resort in South Lake Tahoe and finishing it off with a round of golf close to home. With 300 days of sun annually, the region is a year-round playground for hiking, biking, golfing, fishing, skiing, snowshoeing, hunting, and much more.

Nestled at the base of the Sierra Nevada Mountains, The Preserve in Genoa combines the serenity of rural life with easy access to the amenities of Lake Tahoe and Reno.

The community is located on two championship golf courses, and offers a health and fitness center that features a pool, hot tub, yoga room, tennis and pickleball courts, lockers, massage rooms, and a meeting room.

RESIDE IN HISTORIC GENOA

The Preserve community is located in Genoa, Nevada's first permanent settlement resting at the base of the eastern slope of the Sierra Nevadas just a half hour east of awe-inspiring Lake Tahoe and one hour south of rapidly growing Reno.

Genoa is a tranquil setting, combining historic charm and natural beauty with vintage architecture, landscaped parks, and an intimate community. The town hosts several popular seasonal events to punctuate its serenity, offering plenty to do without the hustle and bustle of an urban environment.
