

Become an Official Partner Course

Connect your course with everyday golfers competing through the RIP Golf Tour.

WHAT THE PARTNER COURSE PROGRAM DOES

The RIP Golf Tour is a digital golf community and competition platform where members join events, submit verified scores, follow handicap-flighted leaderboards, earn season points, and connect with other golfers. Partner Courses help members find approved places to play and give courses a direct path to reach active golfers.

POTENTIAL PARTNER BENEFITS

- A dedicated course listing inside the RIP Golf Tour app
- Visibility to members searching for places to play tour rounds
- Opportunities to host local, regional, or featured RIP Golf Tour events
- Course promotions, announcements, and special-offer opportunities
- Member traffic, repeat play, and community exposure
- Access to future partner tools, participation reporting, and event coordination

HOW ENROLLMENT WORKS

- 1 Complete this Partner Course Enrollment Form.
- 2 RIP Golf Tour reviews course details and participation readiness.
- 3 Approved courses receive onboarding and listing instructions.
- 4 Any event hosting, discounts, fees, or promotions are confirmed separately in writing.

Important

This packet is an application for review, not a binding contract or guarantee of event selection. Final partnership terms, if any, will be confirmed separately by RIP Golf Tour and the course.
