

*The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association.*

Under those articles, the members of the Management Board of Trustees are elected at the A.G.M. to serve a period of 3 years, subject to ratification at each A.G.M. which is usually held in March each year.

The Members of the Management Board are Trustees of the Charitable Company and Directors for the purposes of Company Law.

The Board of Trustees sets our overall direction and vision, and the trustees understand how the charity operates and what its opportunities and challenges are.

Bi-Monthly board meetings are well attended, and our vision, mission and objectives are regularly reviewed.

The business is managed on a day-to-day basis and overseen by our Senior Management Team under the direction of the Board of Trustees.

At Oakfield we provide Specialist Supported Housing where people who meet the criteria set out in the Objects section of our Articles of Association can rent one of our flats. The housing accommodation and associated support are managed on a day-to-day basis by the Managing Director and Property Manager who are supported by a maintenance and housekeeping team.

Where requested we also provide personal care and support for activities of daily living. The personal care and support are overseen by the Managing Director and managed on a day-to-day basis by the Registered Manager and Assistant

Manager, alongside the Deputy Manager and a team of Support Staff.

We also offer a number of day services such as our Care Farm, Seed-to-Plate project and pop-up charity shop.

The services Oakfield provides are supported by administration, finance, marketing, and fundraising teams.

Everyone believes in the vision of Oakfield and thrives to support those in our care to reach their potential, living and leading active, meaningful lives.
