

Come Join Us!

Catholic Schools Walk

Each year, St. Joseph Parish School proudly participates in the Archdiocese of Milwaukee Catholic Schools Soles Walk. This year, our walk will take place on Friday, October 9th at Waterford Town Park. Parents who wish to join us, can meet us at the park. We will do our walk at 11:00am. **Students need to bring a bag lunch and water from home.**

The Soles Walk is not only a celebration of Catholic education but also an important fundraiser for our school community. This year, our budgeted goal is \$7,500. Any funds raised beyond that goal will go toward building a reserve for updated classroom supplies. Thanks to last year's success, we were able to purchase a Cleverboard for our school.

Every gift stays right here at our school. To make giving easy, families can use the QR code below to donate directly to St. Joseph Parish School. Or, you can send a check to the school office.

We encourage you to share this QR code with family, friends, and anyone who would like to support Catholic education at St. Joseph Parish School. Patty in the parish office will forward to the school office all information about any donations received using the QR Code.

Thank you for supporting St. Joseph Parish School and Catholic education!

Dates to Remember

Friday, October 9th - Catholic Schools Soles Walk

Sunday, October 11th - Chili Cook-off/Kickball Game 11:30am

Sunday, October 18th - Living Rosary 6:30pm in the Church

Friday, October 23rd - Trunk or Treat 6:00pm Back Parking Lot

Sunday, October 25th - School Family Mass 8:30am 1st & 8th Grades

Update from the Principal -

Soles Walk this Friday

Remember to **pack a lunch and a water bottle** for your child. Students may be out of uniform this Friday for our Soles Walk. Please be sure they dress comfortably and appropriately for the weather, as we will be walking and spending time playing outside.

As in years past, any family that raises over \$100 will have the family name put into a hat. The Student Ministry will pull out 5 family names and all students from that family will then be able to select which teacher they would like to silly string. We will do this after our Soles Walk back at school on Friday, October 9th.

Mr. Mike Brown

Weekend Family Mass Schedule

October 25th	8:30am	1st/8th
November 22nd	10:30am	3rd/7th
December 13th	8:30am	3K/4K/5th
January 31st	8:30am	4th
March 14th	8:30am	5K/6th
April 25th	10:30am	2nd

ASK Help

With the increase in the number of students who go to ASK, another person is needed to assist Ms. Patty. Teachers have stepped up to fill in the void, but I am looking to hire someone to help Ms. Patty on Mondays & Tuesdays from 2:30-4:00pm. If you are interested or you know of someone, let me know.

Conferences

Parent Teacher Conferences will be held on Thursday, October 29th, in the evening and Friday, October 30th, in the morning. We will send out a SignUp Genius on Wednesday, October 14th, for families to select their conference times.

For our middle school families, you are not required to meet with every teacher. Also, if you have more than one child in middle school, please consider scheduling one conference time with each teacher rather than separate times for each child. This will help ensure there are enough time slots available for all families.

Parish News

Lessons and Carols

Students in grades four through eight are invited to join in our parish celebration of Lessons and Carols. Lessons and Carols is a prayer service that combines scripture readings, sacred music, and prayers that follow humankind from the fall of Adam through the birth of Christ. Rehearsals for children will be Thursdays from 6:00-6:30pm in the Day Chapel. The performance date is Friday, December 11th at 7:00pm in the church.

Children will be singing and playing Glockenspiels (no experience necessary). Come sing with us and be part of this exciting new Advent celebration. If you have any questions, please contact Mrs. Koscinski at pkoscinski@yahoo.com.

Living Rosary - October 18th

Join us as we gather for the Living Rosary by Candlelight on Sunday, October 18th at 6:30pm. Sign up if you would like to be one of the candleholders and recite a prayer. Otherwise, just show up to pray with us.

Sign up here - [Living Rosary](#).

3K

The 3Kers were busy learning while using different Fall Themes - Apples, Squirrels and Leaves.

4K

1st Grade

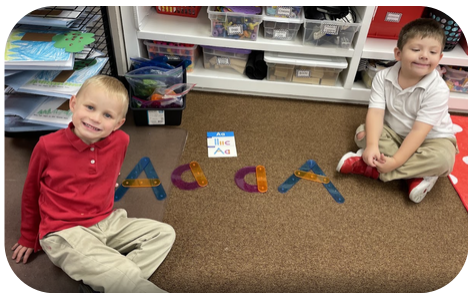

First-grade question: 'Why is Mary stepping on a snake?' And just like that...a beautiful little lesson about Mary, saying YES to God, and choosing good over evil. Hail, Mary!

Building, designing, problem-solving, and discovering how shapes fit together is math + STEM + imagination at work!

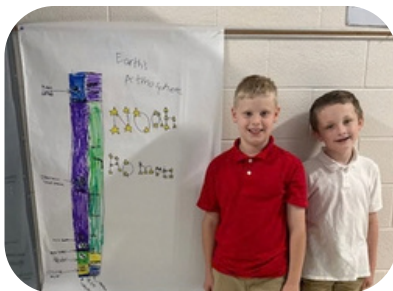

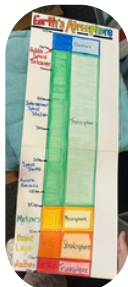

5K

5th Grade

The 5th graders have been learning about the Earth's layers in the atmosphere. They worked in groups and were able to draw how and at what height the layers change. Along with that, they were able to determine in which layer things like the weather, Aurora Borealis, the Ozone, the International Space Station and things like the Hubble Telescope happen.

6th Grade

The 6th graders are learning about the different layers of the Earth also. Here they are working on drawing the different layers and discovering how they are different the farther the layer is from the Earth's core.

6th Grade

The 6th graders used their acting skills to present an ancient Egyptian myth in dramatic form. The myths highlighted the importance of the Nile River in Egyptian culture and the mystery of the pantheon of gods.

7th & 8th Grades

The 7th and 8th graders have been learning about Newton's Laws of Motion for the last week or two. Their big project for the end of this chapter was to create a 3D model that demonstrates at least one of Newton's laws. There has been paper, hot glue, cardboard and tape everywhere!!

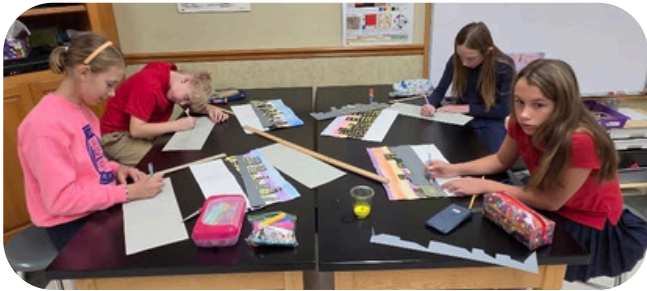

4K & 8th Grades

The 8th graders were invited to read books about autumn with the 4K students.

Athletic Spotlight

Volleyball Superstars!

Our 8th-grade volleyball rockstars - **Chloe K., Sophia K., and Norel S.** - are absolutely crushing it on the court this season!

They have been on a massive winning streak and bringing home the hardware:

- **2nd Place** | St. Mary's Tournament
- **Consolation Champions** | St. Jerome Tournament

What's Next?

The action doesn't stop here! The team is heading to the **St. Leonard Tournament** this week. Mark your calendars and come out to cheer them on!

- **October 7th and 10th**

If you see Chloe, Sophia, or Norel in the hallways, make sure to give them a high-five and **congratulate them** on an awesome season so far.

Let's go, team!

6th & 7th Grade Volleyball

Will P., Micah E., Daniel N. and Sawyer R.

5th Grade Volleyball

Brielle N. and Madisyn P.

Pack 262

Pack 262 participated in Swamp Fox where they learned archery, woodworking skills and played games as a team while demonstrating the Scout Oath and Law.
