Did You Know?

That if you take your Sunday's bulletin with you to TEXAS ROADHOUSE in New Berlin that **same day**, they will send a check for 10% of the total as a donation to St. Joseph Parish? The offer is only good on the day of the date on the bulletin.

Congratulations to Noah P., Emmett K. and their 4th grade boys basketball team on taking 2nd place in the St. Leonard's tournament.

3K

The 3K students learned about oceans & ponds. They did a jellyfish craft, had ocean vocabulary words and viewed some seashells.

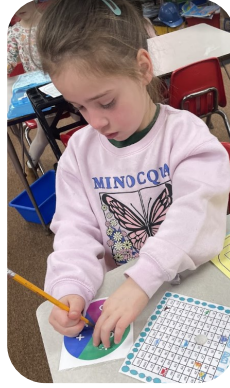

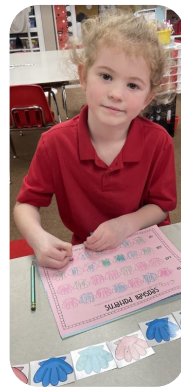

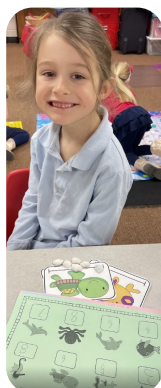

4K

After getting their work done, the 4Kers had some free time. Plus a couple of pictures from art class.

5K

1st Grade

While the leprechaun brought a bit of math fun, his message reminded us that St. Patrick's Day is not about tricks - but about truth. We talked about how St. Patrick showed faith, courage, and kindness, and how we can live out those same values each day. HAPPY FEAST OF SAINT PATRICK!

2nd Grade

Read Across America Week is celebrated annually the first week of March. 2nd Graders were lucky to have some special guest readers join their classroom that week to read to them!

Special guest readers included: In-Game Host for the Milwaukee Brewers, Milwaukee Admirals, and Wisconsin Badgers basketball & hockey - Nicole, Milwaukee Admirals Employee - Nick, and of course, our very own Mr. Brown!

We are thankful for their time and willingness to share the love of reading with us! Thank you!

3rd & 4th Grade

The 3rd & 4th graders had a special guest, Rep. Chuck Wichgers, come and talk to them last Friday. He stayed and joined them for Stations of the Cross.

Recess Fun

Smiles were abundant during the Auction & Spaghetti Dinner. Whether it was seeing the animals, winning the basket you really wanted or just hanging out with friends, smiles were everywhere.

A HUGE thank you to everyone who helped make this year's auction a success!

Important note: Please make sure you fill a slot on the signup if you would like your child to be either food or order runner. While we love the enthusiasm of all our student volunteers who show up to help, we need to be respectful of the time commitment of the students who signed up. We have multiple slots and ask that breaks are staggered so as to not leave stations unattended as they play such an important role in making the night go smoothly.

Our experienced athletics crew is always on site to mentor and train new volunteers. You will not be asked to do anything out of your own comfort zone or anything without training. We have many opportunities, dates and time frames that are indicated on the signup:

Please be aware that no children are allowed in the kitchen for safety reasons. If you bring little ones - cafeteria supervisor or order table are great options.

Adapted from Strong, Happy Families - The Family Strengths Research Project

Happy Families:

1. Show respect even when they disagree

There is a right way and a wrong way to settle a fight. Hitting each other is always wrong. Using hurtful words is always wrong. You don't have to agree about everything.

2. Take turns talking and listening

It is fun to know what everyone is thinking. Don't interrupt or make fun of others when they say something you don't agree with.

3. Share the chores

Instead of dreading chores make a game of it. See who can finish first or whose room is cleanest. Cleaning time can double as music time. Turn up the music or better yet sing! Do a little everyday then your room won't be so hard to clean. Ask your parents what you can do to help instead of waiting to be asked. This makes parents very happy. Warning: It might even make them faint!

4. Play together

Parents stay very busy. Playing together doesn't have to mean a video or board game. You can make a game out of anything. How about playing I Spy, Tic Tac Toe, or telling stories or jokes.

5. Give hugs everyday

Don't just get hugs be a hugger!

6. Learn to apologize and to forgive

Everyone makes mistakes sometimes. The first person to apologize always feels better about themselves. Practice saying, "I'm really sad and I'm really sorry for what I've done." It makes it easier to say when you really mean it.

Forgiving means you choose to overlook and forget when someone hurts you. When someone says

they are sorry believe them. Their actions will show if they were being honest.

If someone physically hurts you, tell an adult even if they ask for your forgiveness.

7. Do things together

Being together is important. You don't always have to do things that cost money. Go for walks. Read together or read to a younger brother or sister. Cook together. Visit parks, nature refuges, libraries, museum, church, or extended family. Looking at old family photos is always fun.

8. Protect each other

Parents protect you by taking you to the doctor and dentist. Knowing where you are at all times is a parent's job. When you are playing outside check in with your parents.

Parents aren't always going to be around so remember when you are alone never talk to strangers and never tell a stranger on the phone that you are home alone.

If you go online tell your parents if someone asks you for your name or where you live. Not everyone online is who they say they are. Protect yourself and your family by not telling about yourself or your family to anyone online.
