Update from the Principal

Join Our School Facebook Page

New families, we invite you to join our **St. Joseph School Facebook page**. This is a great way to stay connected with our school community and see what is happening throughout the school year.

We regularly share school pictures, reminders, upcoming events, celebrations, and other updates. It is also a great way to get a glimpse into the many things our students are doing each day.

Be sure to follow our page so you do not miss what is happening at St. Joseph School.

Altar Servers

We are blessed to have many students who do a wonderful job serving at our school Masses. We would love to see more of these students also become involved as altar servers at our weekend Masses.

We already have several wonderful students and families who serve on the weekends, and we hope to continue growing student participation.

If your child is interested in becoming an altar server for weekend Masses, please contact Stacy Abraham at **mrsabraham1@wi.rr.com** for more information.

Parent Night – Tuesday, September 8th

Please join us for Parent Night on Tuesday, September 8, beginning at 6:30 PM in the cafeteria.

We will begin the evening together as a school community. Mrs. Peterson, our Vice Principal, will lead this portion of the evening, with representatives from several of our school groups sharing a little about their organizations and how they support our students and families.

Following the school-wide presentation, parents will have the opportunity to visit their child's classroom and hear directly from their teacher. Teachers will share important information about classroom routines, curriculum, expectations, communication, and what you can look forward to during the school year.

We hope you can join us for this opportunity to learn more about St. Joseph School and your child's classroom.

If you need to bring your child to our Parent Night, Ms. Patty will be supervising students in the gym.

ASK Teacher Added

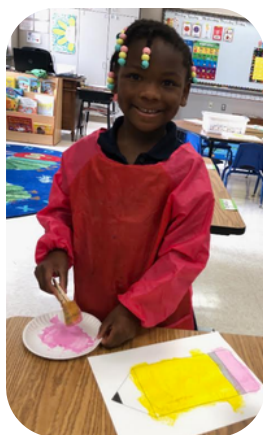

With the increased number of students attending ASK this year, the parish has approved adding another staff member to assist Ms. Patty beginning next week. A current teacher will be scheduled each day to provide additional support during ASK.

8th Grade

At the end of last school year, Fr. Andy gave each of the 8th graders a Cheese Hat as they are now the “Big Cheese” at school. They were challenged to send in pictures of them wearing their Cheese Hat over the summer. Only one 8th grader took Fr. Andy up on the challenge.

Athletics

The Athletics committee will meet for the 1st time this year on Monday, September 14th. We would love to have some new members join this wonderful group.

How you can help: A great way to start participating is by attending a few meetings so you can be comfortable with the group. This is the perfect opportunity to see various roles and familiarize yourself with the responsibilities.

Time: The commitment for this is minimal. We typically meet once a month for about an hour.

Why Join: This is an opportunity to support our student athletes, foster community spirit, and make a difference for our program and the students' experience.

Season highlights: We will periodically post photos and highlights of the season. Parents/teachers please forward any pictures or information you would like featured in the Knightly News to athletics@stjoesbb.com.

Basketball Season

Registration is now open for the 2026-2027 season! This is a great league for players of all skill levels to learn the game in a competitive environment while also having fun with friends.
