

Flooring America scholarship program to surpass \$100,000 milestone with Class of '25

Brevard County, Florida (February 24, 2025) – [Great Southeast Flooring America](#) is proud to continue its annual [college scholarship program](#), marking a significant milestone with a total of \$112,000 in scholarships awarded since the program's inception in 2017. Scholarship totals will hit that number this year once the students receive their checks after the April award ceremonies.

“Crossing the \$100,000 mark will be quite an achievement for us,” said [Nelson Green](#), owner of Great Southeast Flooring America. “This program is consistent with our dedication to the surrounding community, which has supported our business so strongly over the years. It's really a privilege contributing to the development of future leaders here.”

Each year, the company awards a \$1,000 scholarship to one deserving senior at each of the 16 [public high schools](#) in Brevard County. The participating schools include Astronaut, Bayside, Cocoa, Cocoa Beach, Eau Gallie, Edgewood, Heritage, Merritt Island, Melbourne, Palm Bay, Rockledge, Satellite, Space Coast, Titusville, Viera and West Shore.

To qualify, students must be in their senior year and on track to graduate, enrolled in one of the designated high schools. They must plan to attend a two- or four-year college or university in the fall semester following graduation. Applicants should also demonstrate such qualities as high character, integrity, academic achievement, sportsmanship, citizenship and leadership.

“One of the real benefits of awarding these scholarships is that we get to meet some outstanding young people,” Green said. “It gives us optimism about [Brevard County's](#) future, which is encouraging to us all.”

As part of the application process, participating students are required to submit a 500-word essay on the topic, “How I Would Use the \$1,000.” They should submit their applications and essays to their school guidance counselors by April 1. The schools will then select the scholarship recipients.
