

DEFINE THE NEXT ERA

In 1925, a very unlikely patchwork of enterprises was acquired to form the precursor to NextEra Energy, including an ice plant, a sponge fishing boat and exactly 35 Mules. Today, NextEra Energy is the world's largest producer of wind and solar energy, and a leader in battery storage.

We are a leading clean energy company

**largest
electric
utility in the
U.S.
by kWh**

**largest
producer
of renewable
energy
and leader in
battery storage**

more than
\$165_B
market cap
**the largest utility
company in the
world**

We are a leader in several clean energy technologies

**Fortune
200
company**

largest
market share
of U.S. wind
capacity

largest market
share of U.S.
universal
solar capacity

**part of the
S&P 100
index**

One of the
largest U.S.
electricity
generators
from natural gas

One of the
largest nuclear
generators
in U.S.

We have the scale to do big things in clean energy

~63,000 MW

generating capacity as of
Sept. 30, 2022

\$156 B

in total assets
as of Sept. 30, 2022

49 states

with operations and
development projects

\$17.1 B

operating revenues
in 2021

~\$110 B

infrastructure capital
deployment since 2012

~89,180 miles

of transmission &
distribution lines

4 provinces

with operations and
development projects

~15,000

employees as of
year-end 2021

We invest across North America

\$95B
U.S. capital investment
2011-2020

5th
largest
corporate
capital
investor
in U.S.

- wind
- natural gas
- natural gas (drilling)
- nuclear
- solar (universal)
- solar
- battery energy storage
- development/construction
- other
- pipeline
- transmission
- transmission (substation)
- NextEra Energy Resources
- Florida Power & Light Company

Locations with more than one facility are illustrated with a single dot; locations are those in operation as of April 2021.

We lead in renewables and energy storage

\$1.7T
investment
opportunity
in renewables +
storage through
2050

2x
larger operating
renewables
portfolio than
#2 player

3x
larger U.S. battery
storage backlog
than #2 player

We have a clear vision

Our values drive our success

We Are Committed to Excellence

By establishing high standards of quality, driving continuous improvement, making fact-based decisions, working safely and holding ourselves accountable, we cultivate the expertise and passion to deliver the best for our shareholders, customers, employees and stakeholders.

We Do the Right Thing

By acting with integrity and humility in everything we do, living up to our commitments and being forthright and honest in our communications, we create an environment of openness and trust.

We Treat People With Respect

By leading respectfully, promoting teamwork, building a diverse and inclusive team and investing in development, we strengthen and engage our greatest asset – our people.
