THE CATHOLIC
UNIVERSITY
OF AMERICA

This weekend, September 6th, the Diocese of Toledo will take up the National Collection for The Catholic University of America. Catholic University is the national research university in the heart of Washington, D.C., with over 5,700 undergraduate and graduate students in more than 250 academic programs. By giving to the collection, you are supporting future Catholic leaders, both religious and lay, who are being formed by an exceptional, faith-rooted education. The University's various research and training initiatives support dioceses and parishes in responding to the most pressing needs of their faithful. A few examples of how the University serves the Church and nation include The Catholic Project, an initiative that aims to heal the breach of trust many have experienced as a result of the crisis in the Church; a master's program in Ecclesial Administration and Management; and a credentialing program that prepares recent graduates to serve as campus ministers. Use the QR code to donate online or use the collection envelope included in your packet.
