### DETAILS

Indoors, the Cadet Limestone can be used for flooring, wall cladding, fireplace surrounds, or even as kitchen benchtop. Its light grey colour with distinct darker veining adds a touch of sophistication and character to interior spaces, becoming a focal point that enhances the overall design. Outdoors, the Cadet Limestone becomes a stunning feature in your landscape. Whether used around a pool, patio flooring, or exterior facades, it adds a sense of refinement and visual intrigue to outdoor living areas. Its durability and resistance to weathering ensure long-lasting beauty in various outdoor environments.
