

CoreCast Bricks

DETAILS

Recyclable – can be broken down into its original form and remanufactured

Non-combustible – excellent fire resistance.

Cost-effective – competitively priced without compromising quality.

Full body colour – consistent appearance even if chipped or cut.

Tech-Dry additive – helps reduce the occurrence of surface staining.

(R_w) 41

R value

0.33

Every 5th brick in pallet is solid for seals and ends.

Recommend to use Tech-Dry mortar additive in the mortar mix. Please note do not add lime or plasticiser when using Tech-Dryad, as it already includes both components.
