P5

DETAILS

Flash Quartz is a quartz variety that is specifically designed for outdoor use, particularly as outdoor flooring and facades. Flash Quartz features a soft and elegant grey colour, creating a neutral and contemporary aesthetic. The shade of grey is carefully chosen to blend seamlessly with various design styles and outdoor environments, providing a versatile option for landscape projects.

Slip resistant, high density, low heat absorption, durable, low maintenance and driveway safe. Perfect for outdoor paving, pool coping, and alfresco areas
