FINISH

Brushed

SLIP RATING

P5

DETAILS

What sets the Pastel Limestone apart is its understated elegance of soft pink hues. The stone boasts a natural texture that showcases subtle veining and occasional variations in color, enhancing its organic beauty. This soft and gentle character adds depth and visual interest to the stone, making it a captivating choice for a wide range of design styles, from traditional to contemporary.

Designed to live outdoors yet increasingly specified for interiors. It is widely popular with customers, architects, and interior designers.
