DETAILS

Pyramid is known for its beautiful variations in beige, orange, silver, and cream tones, which add a unique and vibrant aesthetic to any outdoor space. One of the standout qualities of Pyramid is its durability and hard-wearing nature, making it an excellent choice for external purposes. It can withstand heavy foot traffic, weather elements, and general wear and tear, ensuring longevity and minimal maintenance. Its natural variations in colour and texture create a rustic and charming atmosphere.

Slip resistant, high density, low heat absorption, durable, low maintenance and driveway safe. Perfect for outdoor paving and alfresco areas.
