Brick Pavers

ASH

A muted blend of tonal light to mid grey. Ash brings a softness that works seamlessly with green spaces and will not overpower your feature brick.

DIMENSIONS

Standard
230x114x30mm

Commercial
230x114x70mm

Slim
230x76x50mm

Commercial Slim
230x76x76mm

RECOMMENDED USE

- Pedestrian
- Driveway
- Patio
- Public Spaces
- Garden Edging
- Pool Surrounds

BLUSH

Heavily textured in a blend of colours ranging reddish pinks to cool cream. An enduring application of natural clay slurry occurs before firing to ensure that the creams last a lifetime and more. Red at heart, Blush is a modern interpretation of a traditional colour.

DIMENSIONS

Slim
230x76x50mm

Commercial Slim
230x76x76mm

RECOMMENDED USE

- Pedestrian
- Garden Edging
- Pool Surrounds
- Patio
- Public Spaces

CANNON

With a deep blend of colours ranging from caramel brown to aubergine, Cannon can be laid blended or in a pattern.

DIMENSIONS

Standard
230x114x30mm

Littlehampton

Brick Pavers

HILLS GOLD

True to their name, Hills Gold Pavers are a classic blend of golden caramel browns reminiscent of an autumn day in the Adelaide Hills. Made using local clays and artisanal methods. Hand graded for quality. Hand blended for colour

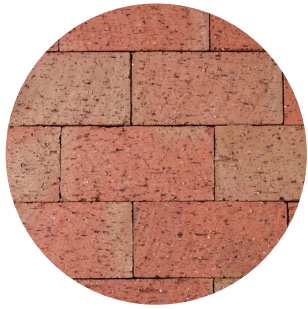

DIMENSIONS

Standard
230x114x30mm

Commercial
230x114x70mm

RECOMMENDED USE

- Pedestrian
- Driveway
- Patio
- Public Spaces
- Garden Edging
- Pool Surrounds

ORIGINAL ADELAIDE RED

A classic red paver with the tonal variation that is the Hallmark of hand-made, batch-fired pavers. South Australian clays, naturally rich in iron, are traditionally fired to a blend of terracotta and bright cherry. Made using traditional methods.

DIMENSIONS

Standard
230x114x30mm

Slim
230x76x50mm

Commercial
230x114x70mm

Commercial Slim
230x76x76mm

Cobblestone
230x114x62mm

RECOMMENDED USE

- Pedestrian
- Driveway
- Patio
- Public Spaces
- Garden Edging
- Pool Surrounds

PENINSULA

Light and bright, Peninsula blends colours ranging from biscuit to cool cream.

Oxides in the South Australian cream clays give an occasional flash of warmth.
