

Snelling

Stone Wall Cladding

RECOMMENDED USE

High density, low heat absorption, durable, and low maintenance. Perfect for indoor and outdoor wall cladding, fireplaces, and alfresco areas.

DETAILS

The Snelling stone wall cladding showcases a sophisticated blend of cool and warm tones. The grey tones offer a neutral base, ranging from light to dark tones, and the greys add a sense of elegance and versatility to the overall look, creating a sleek and contemporary appearance. While the rusty orange tones provide depth and warmth.
