DETAILS

The traditional Flag is a traditional paver that brings a modern feel to your home. The traditional Flag paver is one of the strongest pavers on the market which gives you confidence that it will still look great for years to come.

The square shape adds versatility to the designs that can be created with the classic traditional Flag so that you can find a pattern that suits your needs. Another advantage is the traditional Flag and the traditional Paver products can be used in conjunction with each other.
