Tuition includes curriculum, textbooks, electives, technology, one annual field trip, a school t-shirt, and one yearbook per family. Additional field trips may be offered throughout the year for an additional cost.

There is a one-time application and testing fee of \$150. We do not charge any hidden fees.

Our goal is for every child to have access to a quality Christian education, and we never want finances to prevent a family from pursuing a Christ-centered education for their child. To support this vision, we proudly accept Step Up for Students and VPK scholarships. In addition, we offer financial assistance through the **FAST scholarship** for qualifying families, helping ensure that cost is not a barrier to receiving a Christian education.
