## Lent Fasting Rules: Frequently Asked Questions

### What Is Fasting?

In the Catholic Church, fasting is a practice in self-discipline with a penitential focus. In the context of Lent, it refers to reducing food intake and limiting how many meals we have.

### What are the Lent fasting rules?

On Ash Wednesday and Good Friday, fasting rules allow Catholics to eat only one full meal and two smaller meals which, combined, would not equal a single normal meal. Additionally, Catholics may not eat meat on these two days—or on any Friday during Lent.

### At what age do you start fasting for Lent?

Those ages 18-59, in reasonable health, are required to fast on Ash Wednesday and Good Friday. Those 14 and older must abstain from meat on Fridays during Lent. Canon Law does mention that for young children not fasting, parents should still communicate the meaning and penance.

### Who is exempt from fasting during Lent?

Children, adults with physical and mental illness, pregnant women and those nursing are all exempt. The USCCB stresses that "common sense should prevail" and that no one should jeopardize their health to fast.

## Save the Dates!!

Saint John the Evangelist will be leading an adult faith formation series titled "The Rescue Project".

Through the power and compelling proclamation of the Gospel, we will be offering a way of seeing reality, and of making sense of the world, history, and life that is vastly different from the story we are told by other outlets. Each session will include dinner, a video, and small group discussion. Sessions will be on Mondays beginning at 5:30 and run for about 2 hours.

Dates are as follows: March 4, 11, 18, 25 and April 8, 15, 22, 29. I believe God is calling 12 people to be a part of this formation. Please pray about how God is calling you. I would be happy to discuss your call and mine at any time, please reach out to me. Praise the Lord!

- Deacon Art
