6. Social Media
7. Content Management

CHALLENGE

When Prime Restoration started with Vinnie Mac they had been in business but under a franchise model. This meant the brand name was basically brand new in the service area.

PROCESS

Our team launched a comprehensive marketing campaign including paid ads, SEO, social media, and reputation management to start promoting their new brand to their target audience.

SOLUTION

We incorporated their old company name into the rebranding campaigns which helped them keep their old customers. Our new campaigns helped increase their revenue by bringing in new customers!
