A Message from Your Bridge Pastor

I can hardly believe that I have been your Bridge Pastor for just over a month! In a matter of a few weeks, we have already shared Holy Week and Easter (and other services), I have met so many of you, and I have already grown so fond of the church staff. We even have a new roof since I began my work here mid-March! This past Sunday we gathered to share Welcome Donuts (the key to my heart) so now the pastor/congregation relationship is truly official!

I have been welcomed so warmly, and all three of our new members expressed the same sentiment when they met with Session. I commend you for this as a church, as hospitality is so very important! One of the marks of a healthy congregation is that a faith community is "porous" ...meaning that they not only welcome newcomers, but offer multiple entryways into the life of the community. You do this well! I am experiencing FPC as a vital congregation with an authentic heart for mission, and I feel privileged to be serving alongside you.

In the coming weeks FPC will honor high school and college graduates, participate in the Payne County Pride Festival, share a Gardening Work Day, host a Volunteer Appreciation Brunch for children & youth ministry volunteers, and experience worship on Pentecost Sunday. Behind the scenes, committees will continue to meet and plan, Session and Trustees will tend to the inner workings of the church, and the staff will continue to work faithfully to help these ministries thrive. I hope you never underestimate the important role this congregation is playing in the community and the impact you have on so many lives. I see it clearly, and I hope you do too!

See you Sunday!

Faithfully,
Pastor Amy

P.S. Thank you to the Personnel Committee for hosting the Sunday Morning Donut Party. It's true...all you need is LOVE and DONUTS!

Organ Technician Retires

JR Neutel, formerly President and CEO of the Reuter Organ Company in Lawrence, KS, has cared for our Reuter pipe organ since the fall of 2018. He has been "semi-retired" for two years and has just announced his full retirement for later this summer. JR oversaw our organ renovation in Aug. 2021 that included new keyboards (manuals), refurbished pedals, a reconfiguring of the swell chamber (all the pipes in the box behind the shutters), and installation of a brand new Trompette stop that you hear in one guise or another every Sunday! We are so very grateful to JR for all his work in maintaining, improving, and preserving FPC's beautiful instrument for generations to come.

Going forward, the Red River Pipe Organ Company of Norman, OK, will assume the care of our organ. [See <https://redriverorgan.com/>]

Tuesdays at Trinity

On Tuesday, May 14, beginning at 12:05pm, Rebecca te Velde will perform a half-hour organ recital, which will be live-streamed at <https://www.facebook.com/trinitytulsa>

THANK YOU to the many musicians who enrich our worship each week, and especially to the Chancel Choir for their dedication and hard work, particularly on Easter Sunday!

Retreat at St. Francis of the Woods a Success

Several church members enjoyed a much needed retreat at St. Francis of the Woods Spiritual Renewal Center on April 13th. Participants learned and practiced Breath Prayer, Lectio Divina and engaged in several journaling exercises. They also had time to wander the grounds, walk the Prayer Labyrinth, and pray in the Chapel. They concluded the retreat with a session of "Singing as prayer". The retreat was led by Sharon Bennett, Pastoral Care Associate, and Dr. Belinda Bruner, writer. We hope to offer a longer retreat in the fall.

New Member Spotlights

Meet John Murphy: I currently live in Stillwater. I was invited to join the Church by another member. So, I decided to attend a couple of services. I was impressed, especially after meeting and talking with some members. So, I decided to join. It just felt right. My son John and his wife Jen Live in Sunset Beach, NC. My daughter Beth Norwood, her husband Bailey and their two children live in Stillwater. Before retiring, I worked as a mechanical engineer for Navy Laboratories in the Maryland suburbs of Washington DC for 32 years. Now I volunteer at Elite Repeat on Main Street

Also pictured here are Jeff Martindale and Wayne Martindale. Jeff works for Xpress Wellness as the Director of the Behavioral and Psychiatry Program. Wayne just happens to be Jeff's father! Wayne is retired and is enjoying life here in Stillwater. He is happy now to be a part of the FPC family.

A big FPC welcome to Jeff, John, and Wayne!

We Appreciate You

Pentecost Offering

As one of the four Special Offerings of the Presbyterian Church (U.S.A.), the Pentecost Offering unites us in a church-wide effort to support young people in Christ and inspire them to share their faith, ideas, and unique gifts with the church and the world. Each year on Pentecost Sunday, we celebrate the gift of the Holy Spirit and the birthday of the church. The Holy Spirit remains with us still, connecting us with the church of the past, continuing to inspire the church of today, and pointing us to the church of the future. Each year, this celebration is marked by receiving the Pentecost Offering which nurtures the faith of those who are the

church to come – children, youth, and young adults. Psalm 71 testifies that a foundation of faith established during childhood helps ensure lifelong faith and service. The patterns and lessons established during these formative years continue to bear fruit throughout a person's life. By giving to the Pentecost Offering, our congregation participates in helping children, youth, and young adults grow up to proclaim with the Psalmist, "O God, from my youth you have taught me, and I still proclaim your wondrous deeds."

60% of the offering will go to the Presbyterian Mission Agency to support programs for children, youth, and young adults throughout our nation and the world. 40% of the Pentecost Offering remains in our local community to support children and youth in Stillwater. This year Session has designated this portion of our offering to go to Our Daily Bread to help ensure children and youth who face food insecurity in Stillwater have enough to eat.

We are so lucky to have strong youth and children's programs in our denomination and in this congregation; and this is an opportunity for us to support those ministries with our dollars. You can give with a check in one of the offering plates, or you can mail your donation to the church (put Pentecost Offering in the memo line). And you can always give electronically at the church website.

Thank you for giving generously.

A Minute for Pride

A few weeks ago, Rusty Rex mentioned something very thought provoking so I checked. We've had several associate pastors, interim pastors, bridge pastors, and pastor interns. But for the last 63 years, this church has only had 3 lead pastors. The Rev. Drs. Jim Struthers, Gordon Edwards, and Leah Hrachovec. And some of you knew them all. We've had phenomenal leadership. But not easy leadership. Because over the decades, we've been challenged. I have been. Our views on justice may have been revised and our understanding of what it means to love God and our neighbors broadened. They encouraging us to live out our faith and try to "walk the walk".

I admit to you that since Leah was called to a church in Pennsylvania, Jenny to a church in Missouri, and Jenna went on sabbatical, I've struggled with a sense of being untethered and uncertain. Maybe some grief. I know some of you have too because we've talked about it.

I'll share with you what I've been telling myself. And this is just my opinion. This church is not the lead pastor/head of staff. It's very important to have good leadership to deal with administrative issues, pastoral care, and help point us all in the same direction. And I'm very grateful for Pastor Amy. But the hands and feet and heart of this church are you. Everyone in this sanctuary, listening on the radio or watching on Facebook. I've been a member of this church family for 30 years and I know that when we come together with a single purpose, we are unstoppable. I've seen it happen, over and over. Changes are coming and we will hire a new lead pastor who will challenge us, encourage and teach us, rejoice and grieve with us, and try to keep up with us. In the meantime, we have opportunities to show Stillwater who we are and what the love of God looks like reflected by this congregation.

Maggie has worked to include a volunteer link under the "mission and service" tab on our church website at www.stillwaterfpc.org so we can stay involved with church work days, Our Daily Bread and other volunteer opportunities. That's where you'll find a link to volunteer for the Payne County Pride Festival.

It's Saturday, April 27th from 10am-3pm at Southern Woods Park off of 12th street. The park with the splash pad. We had a table last year and thank you to everyone who helped make that event such a success. And to everyone who's helping this year, I appreciate you so much. This year, Payne County Pride still needs volunteers in the afternoon and to help vendors take down their tables after the festival. You can also get the word out about Pride Fest by talking to your friends and family and on your social media. And this is a great opportunity for us to join with other faith communities to extend love and support. A faith alliance consisting of FPC, Salem Lutheran, St. Andrew's Episcopal, Unitarian Universalists, The Wesley Foundation and Grace Outtabounds has been working to support Payne County Pride to make sure the festival happened this year. It almost didn't, due to lack of funding. But the barrage of regressive Oklahoma legislation, and the tragic death of Nex Benedict made it even more important to stand with our LGBTQIA+ siblings in Christ.

One volunteer activity is giving "Mom Hugs". Some of you may know Dr. Jonathan Drummond from Drummond Eye Clinic. He's also a United Methodist Pastor and director of Grace Outtabounds. Jonathan said that he gave a young man a hug last year who shared that he hadn't been hugged by his own dad in years. It's hard for me to even imagine the pain of that kind of rejection. But we can help support and celebrate them, and share a hug.

You can volunteer through the link on our website or through paynecountypride.org. They would also be grateful for any donation or sponsorship. I'm happy to say that FPC is an event sponsor this year. Thank you, members of session, for approving that. Another way to help is with our vendor table. If you'd like to volunteer for our church table, we'll be handing out church info, stickers, pencils, etc. and talking to people about who we are, and opportunities at FPC. We also still need help from noon to 3pm, then taking things down afterwards, cleaning up, and returning them to the church till about 4pm.

So save the date, Saturday, April 27th from 10am to 3pm. If you're working in the church gardens that day, stop by and see us when you get done.

Whether you want to come help with our table, or just enjoy the festival and support your LGBTQIA+ family, friends and neighbors, I encourage you to wear an FPC t-shirt and let it be known that we do "walk the walk" and love lives here.

~Tami Krehbiel

Behind the Walls: A Trustees' Update

If you've been by the church lately, you will have noticed that new shingles are going up on the sanctuary. This is a project we've been looking forward to for months. The "shake" look really adds character to our beautiful church. The "shingles" in this case are aluminum and arranged in six foot long sections. They're designed to last as long as 50 years. Large hail, when it occurs, will merely dent the aluminum sections and will blend with the stamped pattern of the shingles.

The HVAC failure caused by leaking pipes in the sanctuary basement has been repaired. Heating and air conditioning is back in service. Repairs required the removal of asbestos insulation, a tedious procedure requiring difficult work. Once that was resolved and approved by state inspectors, our HVAC contractor started the work of replacing aged and corroded pipes that were likely in place since about 1951. The system was tested and office spaces were air conditioned once again about April 16. And there was much rejoicing among the office staff as a result.

Saturday, April 27 has been set aside as a work day at FPC. We're looking for volunteers of all ages to help upgrade and update our grounds and flower beds. We'll get started at 9:00, weather permitting. Bring your own tools if you have them but we'll have other tools available.

Session Summary

Our April 9 Session Meeting began on a high note as we were introduced to four new candidates for church membership. The Session unanimously voted to receive John Murphy, Jeff Martindale, Wayne Martindale, and Larrie Dawn Vaverka into membership. Other business items that were addressed included the following:

- The Session voted to permit the Spanish 7th Day Adventist Congregation to resume Saturday worship and Wednesday evening Bible Study in our facility. This is a congregation of about twenty members who had been worshipping here prior to the pandemic.
- Session voted to support the upcoming Payne County Pride Festival with a contribution of \$250.00. They also approved an expense of \$1,500.00 from the McCullers Art and Beauty Resource for outdoor landscaping.
- Approval of scheduling a Congregational Meeting Thursday, May 2 at 6:30 p.m. in Fellowship Hall for a "First Impressions" gathering. This gathering will be sponsored by the Capital Campaign Committee.
- Additional items included support of scouting activities, approval of the Membership Report, and approval of the Stewardship and Finance Committee appeal for 2025 Budget requests to be submitted to that committee before the July 9 Session Meeting.

The next Session Meeting is scheduled for Tuesday, May 14 at 5:30 pm in the Multipurpose Room. Guests are always welcome!

Scout Updates

- Pack 3842 held their spring campout at Camp Sylvia Stapley. We had almost all enrolled scouts participating along with their families. They participated in an exciting campfire program that included jokes, skits, new songs and s'mores. The next day there was hiking, games and food. The scouts also enjoyed learning about the eclipse, with many traveling to experience the totality and earning the BSA eclipse badge. For our May meeting we will be holding our Annual Egg Drop. The scouts will design their own egg protective device that leaders will drop from either the top of the church or, weather permitting, a Stillwater Fire Truck! If you know of any boy or girl in grades K-5 who may be interested in Cub Scouting, please contact Brandon Spencer at pack3842@gmail.com. Spring is a great time to get to know the Pack.
- For the month of March, Troop 820 successfully completed our Ouachita Trek. This year, we backpacked from Winding Stair Campground to Deadman's Gap for a total of 16 miles over four days. We had several scouts attend for the first time and they overcame the challenges well. Our upcoming activities include camping and crystal digging at Salt Plains State Park in April, and camping at Roman Nose State Park in May. We have scouts attending the Order of the Arrow Spring Fellowship in May. Also in May, Troop 820 will be volunteering at the Special Olympics Summer Games and flag placement with the American Legion on Memorial Day.

July 14-19th Summer Camp for 3rd-12th graders! Oklahoma week at Ferncliff Camp & Conference Center

Ferncliff is a Presbyterian camp and conference center located in Little Rock, AR. Oklahoma presbyteries are planning on the week of July 14-19th to send Oklahoma campers to Ferncliff. They are making plans to arrange for transportation for that week. We hope to get a great group of FPC children and youth to join other Oklahoma campers at Ferncliff.

Oklahoma presbyteries have generously helped us lower the cost to \$415 for the week (transportation costs for a possible charter bus will be an additional cost)
